

Prosecco Rosé Brut Millesimato DOC

85% Glera

15% Pinot Nero

In vineyard

Prosecco Rosé Bosco del Merlo is a blend of Glera and Pinot Nero vinified in red, with a lower yield/hectare to have higher intensity color and aromas. Grapes are vinified separately and in different periods; early harvesting of the Pinot Noir takes place to maintain the fresh, fruity notes. As provided by the disciplinary, Glera and Pinot Noir grapes belong to the same vintage.

In cellar

After 2-3 days of maceration the Pinot Nero matures in steel until blending. After the soft pressing, the must ferments at low temperature (15°C) to enhance freshness and fruity notes. To take foam, the Charmat Method is used, refermentation in steel tanks at low temperature and frequent batonnage to enhance the fragrance and fine perlage. The period of taking foam is beyond 60 days.

Tasting notes

The color is bright light pink, with fine and persistent perlage. The flavor is really fresh and floral, with an explosion of freshness and nice body on the palate, thanks to the sapidity and the taste-olfactory persistence of the fruity notes of pear, pomegranate and lychee.

Plus

It is a representative product of the terroir, where production of rosé sparkling wines has been already present since years. Today, the achievement of the Prosecco Rosé appellation confirms the high-quality standard and elegance of the rosé sparkling wines produced here.

Pairings

Convivial wine, excellent as elegant aperitif; perfect with fish dishes, like salmon or tuna sashimi and grilled vegetables.

Serve at 8/10 °C

Life In Rosé

The **Life in Rosé** project was born in 2018 with the goal of promoting prevention and supporting the fight against breast cancer. Bosco del Merlo is an active part of LILT's Pink Ribbon campaign by annually donating part of the proceeds from the sales of **Prosecco Rosé DOC and Pinot Grigio Rosé DOC Delle Venezie** to LILT Treviso.

Today, the Life in Rosé project goes beyond, supporting sports activities and promoting a healthy lifestyle.
