WHAT'S INCLUDED:

Jupiter Hotel furniture, A/V (private wifi, screen + projector, sound systems, microphones), black linens (with option to upgrade to white for a fee), custom floor plan, set up, tear down and on-site event staff for day-of assistance.

CATERING:

Here at the Jupiter we have an open arms policy when it comes to catering. You have the freedom to pick a caterer that fits your style and budget. If you've worked with a preferred caterer before, you are welcome to bring them in at no additional cost. Need recommendations? We work with the best in town and can connect you with our favorites.

BEER / WINE / LIQUOR:

The Jupiter Hotel operates with a beer and wine license; beer and wine may be served with no additional permitting required. You are welcome to bring in your own beer and wine but please keep in mind that you will need to hire our OLCC certified humans to serve your guests. Unlike most venues, we do not charge any corkage or product fees so the only additional cost is paying our excellent bartenders to pour for you. These humans come at a rate of \$35 per person per hour and must be present 30 minutes prior and post service for set-up and teardown.

If your heart is set on serving a signature cocktail or having a cash bar for your guests, we can assist you in making this happen! You're welcome to have your caterer provide bar service (most caterers are set up to provide both food and beverage services), or use a third party bartending company. The third party vendors' OLCC liquor license will need to blanket the Jupiter property during your wedding.

SECURITY + INSURANCE

One security staff member will be scheduled at \$40 per hour and must be on site 30 minutes prior to the start of the event and 30 minutes post event end. We will assist in staffing these individuals!

The Jupiter Hotel requires couples to carry general liability insurance which we can help you easily obtain through a preferred partner.

PAYMENT:

To secure your date we will require a \$1,000 non-refundable deposit. The remaining balance, including event services, is processed 7 days prior to the wedding. Payments made with a credit card are subject to a 3% processing fee. ACH and check payments are accepted free of charge. The Jupiter is happy to arrange flexible monthly payments!

HOURS:

Pricing reflects a 10-hour window between 7:00am-11:00pm. Additional hours are available \$200/hour. Our team will work with you on a timeline that allows for early vendor load-in and any decorating.

SLEEP WITH US!

Need sleeping rooms for your out of town guests? We've got you covered!

With 148 sleek & modern designed rooms spread between both properties, The Jupiter Hotel offers flexible room block options.

Put your night owl guests at the Original while NEXT offers a more chill vibe.
