- 31 Sport Studies

Prepare to revise

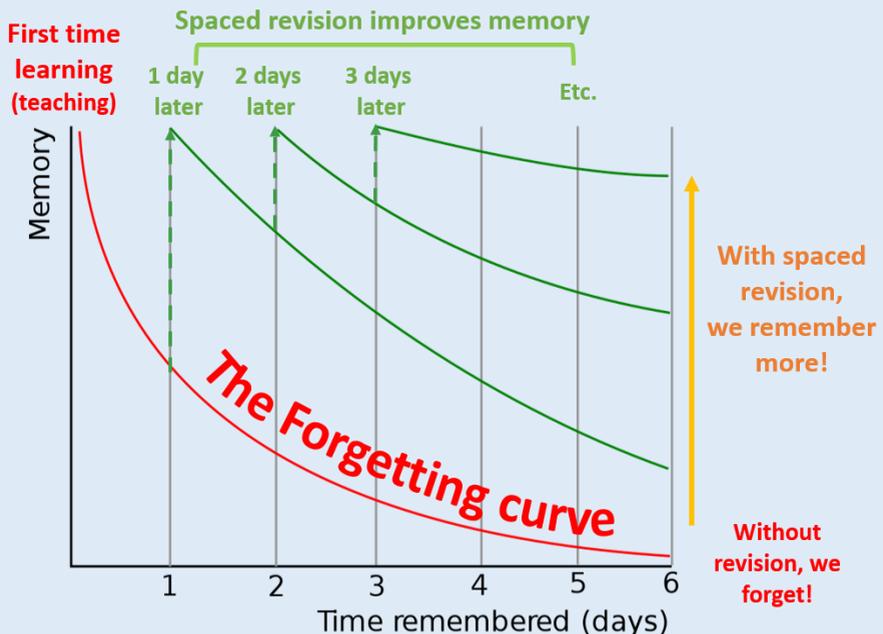

Top 10 revision Tips

1. Start revising as soon as possible
2. Plan your revision using a timetable
3. Set up a tidy study space
4. Revisit topics several times
5. Vary your revision with different activities
6. Do lots of practice papers and questions
7. Set aside time to do fun things
8. Keep your phone and other distractions away
9. Sleep and eat properly
10. Don't panic, plan your work and work your plan

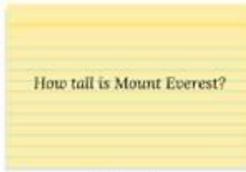

Revision Techniques

1. Mind Maps
2. Flash Cards – ask someone else to test you on them.
3. Summaries – ask someone else to test you on them.
4. Q and A cards – ask someone else to test you on them.
5. Quizzes – ask someone else to test you on them.
6. Just a Minute
7. Prepare to Teach
8. Mnemonic; such as **Richard Of York Gave Battle In Vain** for the colours of the rainbow Red, Orange, Yellow, Green, Blue, Indigo and Violet.
9. Knowledge Organiser

Revision Examples

Knowledge Organisers

Key Terms	Knowledge Organiser - Cell	Diagrams
Eukaryotic cells	Cells that contain a nucleus	
Eukaryote	An organism that is made of eukaryotic cells	
Prokaryotic cells	Single-celled organisms that do not contain a nucleus	
DNA	Deoxyribonucleic acid - the genetic information found in all living organisms	
Ribosome	A cell organelle that makes proteins	
Respiration	The release of energy from glucose	
Diffusion	The net movement of particles from an area of high concentration to an area of lower concentration	
Organelle	A part of a cell with a specific function	
Mitochondrion	A cell organelle in which respiration occurs	
Chloroplast	A cell organelle in which photosynthesis occurs	
Cytoplasm	Jelly like substance in cells where chemical reactions occur	
Nucleus	A cell organelle found in eukaryotes containing their genetic material	
Cell membrane	Structure surrounding the cell that controls what moves in and out of the cell	
Vacuole	Found in plant cells, filled with cell sap, keeps the cell turgid	
Cell wall	Made from cellulose and provides structural strength (in some cells not animal cells)	
Photosynthesis	Chemical reaction that happens in chloroplasts that stores energy in glucose	
Spindle	Structure in animal cell	
Biomechanics	Describes a shape with a dip that curves upwards on both sides	

Mind Maps

What NOT to do

- Just highlighting words is ineffective!
- Reading over notes on its own is ineffective!
- Copying things out is ineffective!

Getting organised

Spend time on a solid revision plan, but **don't spend so long** that you don't have time to revise.

Reasons to plan;

- You know you have time to cover everything.
- You won't forget any topics.
- You can prioritise early exams or tricky subjects.
- It reduces stress.
- It is more efficient.
- Use a revision timetable and a topic planner.

Revision Environment

- Find/create a space that works for you and is quiet
- Get rid of technology distractions - no phones, music or TV
- Revise with a friend, if you do not distract each other.

Coping with Stress

Exams are stressful for everyone;

You won't be alone, others will also find this time stressful.

A small amount of stress can be good for you, it can help motivation and focus.

Help with stress;

- Go outside for exercise and air.
- Set aside time to meet with friends when you are not revising.
- Have relaxation time to listen to music, watch TV or read a book.
- Continue to take part in your hobbies.
- Ensure that you eat and sleep well.

SUBJECT: ART

Exam Board: AQA

Assessment:

- The course is made up of 2 components. Component 1 - A portfolio that in total shows explicit coverage of the four assessment objectives. It must include a sustained project evidencing the journey from initial engagement to the realisation of intentions and a selection of further work undertaken during the student's course of study. How it's assessed • No time limit • 96 marks • 60% of GCSE.
- Component 2 -Students respond to their chosen starting point from an externally set assignment paper relating to their subject title, evidencing coverage of all four assessment objectives. How it's assessed • Preparatory period followed by 10 hours of supervised time • 96 marks • 40% of GCSE.
