Mooi ontwerp? Top. Maar het komt pas écht tot z'n recht op de juiste plek. Je hebt keuze uit verschillende printposities: op de borst of rug trekt je ontwerp meteen de aandacht. Mag het wat subtieler? Dan is de mouw perfect. Want de plek van je ontwerp maakt het plaatje compleet.

DRUKPOSITIES

Mooi ontwerp? Top. Maar het komt pas écht tot z'n recht op de juiste plek. Je hebt keuze uit verschillende printposities: op de borst of rug trekt je ontwerp meteen de aandacht. Mag het wat subtieler? Dan is de mouw perfect. Want de plek van je ontwerp maakt het plaatje compleet.
