

## Insurance Industry Charitable Foundation

Helping communities and enriching lives, together.

### WHO WE ARE

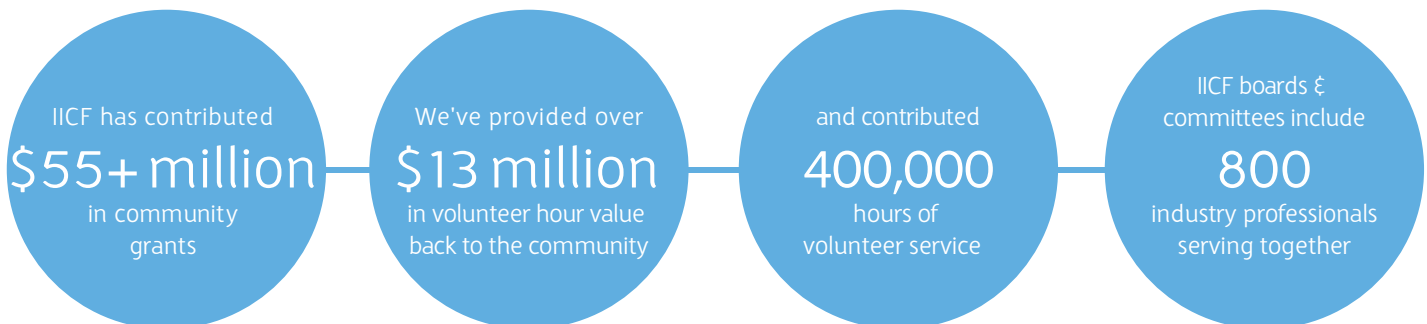

The Insurance Industry Charitable Foundation (IICF) is a unique nonprofit that helps communities and enriches lives by uniting the collective strengths of the insurance industry in providing grants and volunteer service. IICF has served as the philanthropic voice and foundation of the insurance industry for more than thirty years, contributing over \$55 million in community grants and \$13+ million in volunteer service value. With the support of the industry, IICF has made a meaningful impact in partnership with more than one thousand local nonprofits and charities serving our neighbors in need.

### WHAT WE DO

As the philanthropic voice of the insurance industry, IICF raises awareness of collective industry charitable contributions and community impact. IICF connects the insurance industry with local nonprofit organizations and communities and by doing so we:

- Help those in need by awarding grants to nonprofits and charities meeting vital community needs
- Assist companies to amplify their community impact
- Attract and develop talent of the future by creating a platform for leadership and introduction to the industry
- Provide individuals the opportunities to make a difference and network with a sense of purpose
- Host events that inspire leadership, community involvement and networking, and raise funds for grants
- Present a unique way to give back through year-round volunteering opportunities and the annual Month of Giving
- Promote leadership through our Boards of Directors, Associate Boards of young professionals and IICF volunteerism

### OUR IMPACT

The six Divisions of IICF include four in the US: **Midwest, Northeast, Southeast and Western** and two international: **United Kingdom and Canada**. Eleven Chapters within these IICF Divisions, along with Associate Boards, enable broader regional engagement.

Through our IICF Boards of Directors, we award grants to nonprofits and charities serving a range of focus areas, including children at risk, housing and food insecurity, health and human services, military veterans, social mobility, the environment, disaster preparedness and relief and more.

Please contact the Executive Director in your area for more information:

## WHY SUPPORT IICF

### Value to Individuals

- Make a difference in your local communities
- Develop and share your leadership skills by serving on an IICF Board or Committee, or becoming an IICF volunteer
- Network with like-minded colleagues across the industry and give back to those in need
- Contribute to industrywide initiatives making an impact in the areas of volunteerism and charitable grant-making
- Demonstrate your pride of working in Insurance and passion for helping others
- Contribute to a vibrant future for the insurance industry through IICF's innovative initiatives and unique network of leaders, united to create a greater philanthropic impact in our communities.

### Value to Companies

- Amplify your community impact and brand profile
- Collectively address social issues relevant to business and important to our communities
- Create new volunteering opportunities to engage employees, year-round and during Month of Giving
- Give your business a competitive edge by demonstrating leadership in the our communities and our industry
- Leverage opportunities exclusively available to IICF supporters that showcase industry philanthropy
