

The Insurance Industry Charitable Foundation (IICF) Arizona invites you to join us as we rally our industry to provide food and funds to support the **St. Mary's Food Bank**.

In Arizona, food insecurity is a problem 2 million Arizonans are faced with every year. Nearly 30% of our neighbors are considered working poor, living on wages that barely cover housing and other basic necessities.

*Together, as a united industry, we can help bring relief to our neighbors in need.*
