About the Insurance Industry Charitable Foundation (IICF)

The Insurance Industry Charitable Foundation (IICF) is a unique nonprofit that unites the collective strengths of the insurance industry to help communities and enrich lives through grants and volunteer service. Established in 1994, IICF has served as the philanthropic voice and foundation of the insurance industry for more than thirty years, contributing over \$55 million in community grants along with 400,000 volunteer hours by more than 130,000 industry professionals. IICF reinvests locally where funds are raised to maximize community impact, and partners with hundreds of charities and nonprofit organizations each year to serve our neighbors in need across the US, UK and Canada.
