Attendance Matters

Every school day is a new opportunity to learn, grow and shine. When children attend regularly, they don't just keep up with lessons; they also build friendships, confidence and skills that will last a lifetime.

Well done to the 94.6% of children who attended every day. We aim to work in partnership to support all children to have a successful start to the school year.

Reception News

Reception class have settled in fabulously, they are absolute superstars. They have loved having Year 6 buddies, which I am sure the parents have heard all about. They join us every playtime and lunchtime and the children have especially loved playing hide and seek.

We Did It! Our School Has Earned the Eco-Schools Green Flag Award with Distinction!

We are super excited to share some amazing news—our school has been given the Eco-Schools Green Flag Award with Distinction! This means we've done a fantastic job looking after our planet.

A big thank you to our brilliant Eco-group, who have worked really hard to help us reduce, reuse, and recycle. They've made sure our school is greener and cleaner, and they're not stopping now!

We're very proud of everyone who helped. Let's keep up the great work and continue to care for our world every day!
