Attendance Matters

We understand that colder seasons bring coughs, colds and darker mornings, but coming to school regularly helps children build resilience, keep routines in place and stay connected with their friends. Our whole school attendance has taken a bit of a drop this week. Let's work together to ensure that even during these chilly days, children are here every day, ready to learn and thrive.

Year 2 News

We are very nearly settled into our routines now in year 2 and are beginning to take control of our responsibilities and our equipment within the class. We take great pride in having a job: whether that be distributing the hand sanitiser when we come into the classroom after playtimes and lunches; taking the drinks and the fruit out to play; handing out our exercise books for each lesson or holding the door and being last in the line for lunch!! Our handwriting has improved and we are getting much quicker at starting to do what has been asked of us. This week we have been keeping a diary of the weather and looking at what the inside of a fish's gills look like! We were fascinated!
