Attendance Matters

We are delighted to celebrate an amazing 92 children who have achieved 100% attendance since the start of term. Their commitment to coming to school every day shows a real love of learning.

Four classes continue to maintain an attendance above 95%. A special mention to year 3 with an attendance of 96%.

Year 6 News

This term Year 6 continue their NFL with Leeds UTD. This has now been happening for over a year every week and you are really starting to see the benefits of sustained practice on one thing. The quality of play is really improving and hopefully in December we can join other schools and show our progress so far. We were really proud recently to showcase all of our learning in an assembly in which we did a court room drama and some maths lessons. Year 6 have taken their new found homework really seriously and are doing fantastically well at starting their preparation for High School. In Maths we are half way through Fractions and they are without a doubt in a brilliant place with this subject for their SATs. In English we have been doing slow writes and finished off our balanced argument. Next term we look forward to starting 'Cheerleading', which some are very excited about.

The best thing so far in Year 6 has been our buddies.

Year 6 have chosen a buddy from reception and are helping them with all aspects of joining school for the first time.

Respect Starts with Us

As part of our commitment to the 3Rs—Respectful, Resilient and Resourceful—we kindly remind all parents and carers to approach staff with politeness and courtesy . Every interaction is an opportunity to model respectful behaviour for our children, reinforcing the values we teach in school. Whether asking a question, raising a concern, or simply saying hello, let's continue to build a community where mutual respect is at the heart of everything we do.

Neurodiversity Assessments

We are currently receiving a high number of requests from parents asking for assessments and support relating to children's neurodiversity. We understand how important it is for families to access the right help and please be assured that staff are working as quickly as possible to get this done. We would respectfully ask that emails are not sent asking for an immediate response. Most of the external providers send several questionnaires which each take 1-3 hours to complete. We do not rush these. It is too important.

Thank you for your understanding.
Mrs Green (SENDCo) and
Ms Crimlis (Deputy SENDCo)

Half Term Holidays

We are breaking up for the half-term holidays and school will be closed next week.

Please note that **Monday 3rd November** is a staff training day. Children will return to school on **Tuesday 4th November**.

Anti-Bullying Week 2025: Power for Good

ANTI-BULLYING
ALLIANCE

POWER
FOR
GOOD
#ANTIBULLYINGWEEK

CCUA will be taking part in Anti-Bullying Week to use our 'Power of Kindness for Good'. The children will be doing lots of activities including thinking how we can change our environment for the 'Power of Good' and creating a "Power for Good" superhero poster, designing their own superhero character whose mission is to stop bullying. We would love the children to wear odd socks on Monday 10th November, the sillier the better.

Odd
Socks
Day

MONDAY 10TH NOVEMBER

Odd Socks Day is an opportunity to encourage people to express themselves and celebrate their individuality and what makes us all unique! There is no pressure to wear the latest fashion or buy expensive costumes. All you need to do to take part is wear odd socks, it could not be simpler!
