Attendance Matters

Well done to Year 6 on a 97% attendance this week. Consistent attendance ensures that every child can celebrate their achievements, stay connected with their classmates, and make the most of all the fun and learning still to come. We are aiming for all classes to have attendance above 94% by the end of this term.

Year 4 News

During this half term in Science the children have been learning about states of matter (solids, liquids and gases) Last week we investigated how air temperature affects evaporation. We explored what makes a fair test. What was going to be changed and measured. The children really enjoy practical investigations.
