Well done everyone!**Attendance Matters**

We have ended the year with a whole school attendance of 93.4%, including Reception. Every day your child comes to school, they're learning with head, heart, and hand; building knowledge, kindness and skills. Thank you for helping them to be here. Please reach out for support from the Attendance Team in the New Year if needed. Our email address: ccua-attendance@ccuaprimary.co.uk will be monitored over the holidays.

We learn with head heart and handwww.ccuaprimary.co.uk**Year 6 News**

The first term of their final year in primary school has probably been Year 6's most successful since I started working with them at the beginning of Year 5. They have completed five excellent pieces of writing and are well ahead in their maths work. It's clear that Year 6 have embraced their role as the oldest in the school with maturity and confidence.

Their sense of responsibility has grown enormously, and nothing shows this better than their work with their buddies. This new system pairs each Year 6 pupil with a Reception child to help guide them through their first year in primary school. They spend one or two break times a week with their buddies and are always ready to help—whether it's walking them to church, supporting them with the nativity, or assisting with Christmas decorations. Thanks to Year 6, the Reception class has had a wonderful start to school life, and the smiles on the younger children's faces say it all. Usually, the last day of school brings tears from Year 6, but this year I think those tears will be shared across the whole school. It has been a pleasure and a privilege to teach this class so far.

Special Visitor in Year 3

Year 3 had an exciting day when Rachel Reeves Chancellor of the Exchequer and local MP visited our school to present a prize and certificate to Hallie, who won the guest's Christmas Card Competition! Hallie's design will now feature on the Rachel Reeves' official Christmas cards this year.
