Attendance Matters

We are now fully working with our Attendance Partners, BCL including home visits for children where concerns are raised regarding lack of contact. In light of this, please ensure you contact school before 9am if your child is not attending, for whatever reason, to prevent a request for a home visit from the team.

Reception News

Welcome back and we hope you all had a relaxing break. We have had a wonderful week to start our 'Winter' topic. The real ice and freezing weather has really helped with our understanding of the changes to our environment in Winter.

Thank you for sending your children in ready to play outside, they have been wrapped up in cozy hats, gloves and scarves.

We missed all the children and are really looking forward to another term together.

‘What I wish my parents or carers knew...’: A guide for parents and carers on managing children’s digital lives

The Children’s Commissioner for England has published a guide which aims to support parents with their child’s online safety. ‘What I wish my parents knew’, aims to help parents to recognise the complex and rapidly evolving landscape their children are navigating.

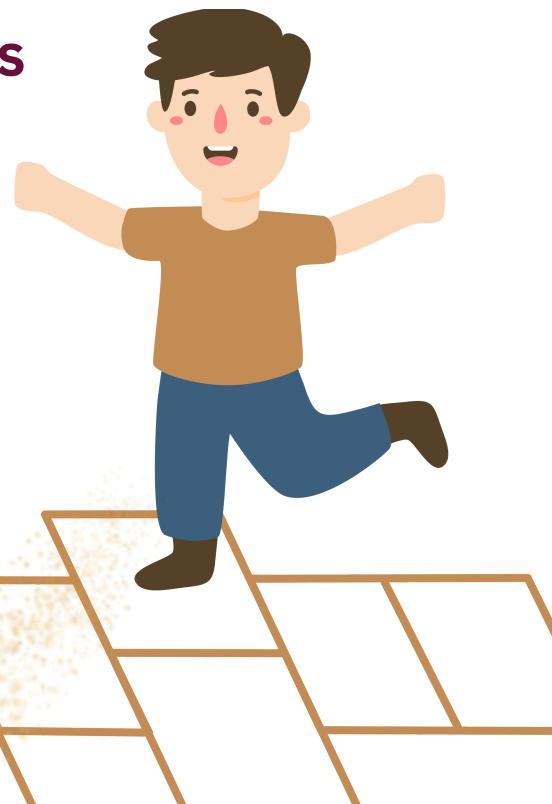

The guide offers parents an insight into what children find hard about having conversations about their online lives, detailed guidance on the issues children said they wanted their parents to better understand. It also includes explainers of the top social media apps and AI tools children use.

You can read or download your guide and activity packs [here](#)

Important Notice: Playground Use After School Hours

Please note that school playgrounds are not monitored after school finishes. For health and safety reasons, we kindly ask parents not to allow children to play on the playground after school hours. Your cooperation helps us keep everyone safe. Thank you for your understanding and support.
