Reception News

Reception class have been learning about FARMS. We have looked at all aspects of farming, machinery, animals, farms around the world and food that is grown. We have incorporated farming into our outside play, writing, maths and all possible areas our reception area.

We have also been looking at the food grown when we choose our lunch. Reception have been using the salad and imagination to create wonderful 'healthy' sandwiches.

We have also looked at different food types and how much of each group we should be eating. We love a balanced diet and we are really looking forward to 'CHRIST CHURCH COOKS CAKES'
