Discover nine decorated sculptures of Tulips, each inspired by Ashton and Tameside. All have been decorated by local artists with a blend of schools and local community groups unleashing their creativity too.

The sculptures have been cast, designed, and decorated in the borough by local industry, artists and community groups and will be placed throughout the town centre, from the entrances to the central shopping district, leading people into Ashton with a trail of colour.

On each tulip you will find a letter. Write these down in the space provided. Can you unscramble them to reveal the mystery plant word?
