December 2025

**"You have not lived until you have done something for someone who can never repay you."**

- John Bunyan (c. December 1628 – August 31, 1688) Writer

I am going to keep this brief. Continuing in the spirit of the season, this month's QOTM (Quote of the Month) is rather self-explanatory. The fact is that the people who receive this QOTM have all done rather well in life. And so they are all smart enough to know that helping someone out makes for a good day – for both the giver and the receiver!

So, get out there. And do something for someone that brings a smile to the face of all concerned!

As a final thought on the matter, in the words of Albert Einstein, "Kindness is the highest form of intelligence."

Here is to a great business year in 2026! Success to all!

Perform better!
