Hello Logan Carter,

I'm Buzzy Cohn, CEO of BikeInsure, and I want to welcome you to our BikeInsure cycling community. Thank you for your purchase at the BikeInsure.com website. Herein you will find your Great American Spirit Insurance Company Insurance Policy.

The bicycle insurance policy is for a one-year term to cover the enrolled bicycle(s) or e-bike(s), as unexpected bicycling accidents or thefts may occur anytime during the year. The policy is unavailable for short-term insurance intentions.

BikeInsure has made it easy for customers to maintain their one-year bicycle insurance policy with monthly credit card payments that have no additional fees. Your installment premium will be charged in accordance with the terms of the annual policy.

Policies will automatically renew for additional one-year terms so long as the policyholder continues to meet the insurer's underwriting guidelines and standards.

If there is anything you need or if there are ways we can improve your experience here, please send an email at help@bikeinsure.com.

Enjoy the ride. You're Covered.

C. Exclusions

We do not insure for loss caused directly or indirectly by any of the following. Such loss is excluded regardless of any other cause or event contributing concurrently or in any sequence to the loss. These exclusions apply whether or not the loss event results in widespread damage or affects a substantial area.

- b. Undeclared war, civil war, insurrection, rebellion, or revolution;
- c. Warlike act by a military force or military personnel; or

- b. Loss caused by the nuclear hazard will not be considered loss caused by fire, explosion, or smoke, whether these perils are specifically named in or otherwise included within the Perils Insured Against.
- c. This Policy does not apply to loss caused directly or indirectly by nuclear hazard, except that direct loss by fire resulting from the nuclear hazard is covered.

3. Governmental Action

Governmental action means the destruction, confiscation, or seizure of insured equipment by order of any governmental or public authority. This exclusion does not apply to such acts ordered by any governmental or public authority that are taken at the time of a fire to prevent its spread, if the loss caused by fire would be covered under this policy.

4. Intentional Loss

Intentional Loss meaning any loss arising out of any act an "insured" commits or conspires to commit with the intent to cause a loss. In the event of such loss, no "insured" is entitled to coverage, even "insureds" who did not commit or conspire to commit the act causing the loss.

1. Loss Settlement

- a. We will not pay more than the least of the following amounts:
 - (1) The actual cash value of the insured equipment at the time of loss;
 - (2) The amount for which the insured equipment could reasonably be expected to be repaired to its condition immediately prior to loss;
 - (3) The amount for which the article or item could reasonably be expected to be replaced with one substantially identical to it; or
 - (4) The amount of insurance.

b. Loss to a Pair, Set or Parts

If the article or item is a pair or set or consists of several parts when complete, we may elect to:

- (1) Repair or replace any part to restore the pair or set to its value before the loss;
- (2) Pay the difference between the actual cash value of the equipment before and after the loss; or
- (3) Pay for the value of the part lost or damaged.

c. Recovered Equipment

If an "insured" or we recover any equipment for which we have made payment under this policy, you or we will notify the other of the recovery. At your option, the equipment will be returned to or retained by you, or it will become our property. If the recovered equipment is returned to or retained by you, we will adjust the loss payment based on the amount you received for the recovered equipment.

2. Loss Clause

We will not reduce the amount of insurance under this policy except for a total loss of scheduled equipment covered.

3. Loss Payment

- a. We will adjust all losses with you. We will pay you unless:
 - (1) A claim has been paid by others; or
 - (2) Some other person is named in the policy or is legally entitled to receive payment.
- b. Loss will be payable 30 days after we receive your proof of loss and:
 - (1) Reach an agreement with you;
 - (2) There is an entry of a final judgment; or
 - (3) There is a filing of an appraisal award with us.

4. Duties After Loss

In case of a loss to insured equipment, we have no duty to provide coverage under this policy if the failure to comply with the following duties is prejudicial to us. These duties must be performed either by you, or an "insured" seeking coverage, or a representative of either:

- a. Give prompt notice to us or our authorized representative;
- b. Where the loss is due to malicious acts, burglary, robbery, theft or attempt thereof, or is suspected to be so due, you must notify thereof to the police or other authorities having jurisdiction;
- c. Protect the equipment from further damage. If repairs to the equipment are required, you must:
 - (1) Make reasonable and necessary repairs to protect the equipment; and
 - (2) Keep an accurate record of repair expenses. Such expenses will be paid by you and us in proportion to our respective interests;

- d. Cooperate with us in the investigation of a claim;
- e. Prepare an inventory of damaged equipment showing the quantity, description, actual cash value and amount of loss. Attach all bills, receipts and related documents that justify the figures in the inventory;
- f. As often as we reasonably require:
 - (1) Show the damaged equipment;
 - (2) Provide us with records and documents we request and permit us to make copies;
 - (3) Submit to examination under oath, while not in the presence of another "insured", and sign the same; and
 - (4) Produce, to the extent that it is within your power, your employees, members of your household or others so that they may be examined under oath.
 - (5) Send to us, within 90 days after discovery of the loss, your signed, sworn proof of loss which sets forth, to the best of your knowledge and belief:
 - (a) The time and cause of loss;
 - (b) The interests of all "insureds" and all others in the equipment involved and all liens on the equipment;
 - (c) Other insurance or service agreement which may cover the loss; and
 - (d) The inventory of damaged equipment described in e. above.

5. Loss Payable Clause

If the Declarations names a loss payee and the equipment in which the loss payee has an interest, we will adjust any loss with you and make the loss payment to you or an "insured" legally entitled to receive payment and the loss payee as their respective interests may appear. We will notify the loss payee in writing if we cancel or do not renew the policy.

6. Deductible Clause

Each claim for loss or damage (separately occurring) to each item of insured equipment shall be adjusted separately and from the amount of each adjusted claim, the deductible shall be deducted.

7. Salvage Rights

We have the right to salvage the damaged equipment covered and accessories and sell the parts to a third party. You may choose to purchase the damaged equipment covered for salvage (this would exclude any components used from the damaged equipment covered and repurposed on the new equipment).

E. Other Conditions

1. Policy Period

This policy applies only to loss which occurs during the policy period.

2. Insurable Interest and Limit of Liability

Even if more than one person has an insurable interest in the equipment insured, we will not be liable in any one loss:

- a. To an "insured" for more than the amount of such "insured's" interest at the time of loss; or
- b. For more than the applicable amount of insurance.

3. Claims Against Others

- a. We will consider any payment we make to you a loan if we believe a loss is collectible from others.
- b. You will repay that loan to us out of any recovery you or we receive from others.
- c. You will assist us in every way possible to recover from others and we shall, at our expense, take over an "insured's" rights against others to the extent of our payment.
- d. An "insured" must do everything necessary to secure the rights and must do nothing before or after a loss or damage to impair them.

4. Appraisal

If you and we fail to agree on the amount of loss, either may demand an appraisal of the loss. In this event, each party will choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state of your residence.

The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of loss. Each party will:

- a. Pay its own appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

5. Other Insurance and Service Agreement

An "insured" may have other insurance or a service agreement subject to the same plan, terms, conditions, and provisions as the insurance under this policy. If an "insured" does, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Amount of Insurance under this policy bears to the Amounts of Insurance of all insurance or service agreements covering on the same basis. Service agreement means a service plan, property restoration plan, or other similar service warranty agreement, even if it is characterized as insurance.

6. Suit Against Us

No action can be brought against us unless there has been full compliance with all of the terms of this policy and the action is started within two years after the date of loss.

7. Insurance not to Benefit Others

No person or organization having custody of the equipment and to be paid for services shall benefit from this insurance.

8. Changes In Policy

No change in this policy may be made except by us in writing.

9. Concealment or Fraud

We provide coverage to no "insureds" under this policy if, whether before or after a loss, an "insured" has:

- a. Intentionally concealed or misrepresented any material fact or circumstance;
 - b. Engaged in fraudulent conduct; or
 - c. Made false statements;
- relating to this insurance.

10. Liberalization Clause

If we make a change which broadens coverage under this edition of our policy without additional premium charge, that change will automatically apply to your insurance as of the date we implement the change in your state, provided that this implementation date falls within 60 days prior to or during the policy period stated in the Declarations.

This Liberalization Clause does not apply to changes implemented with a general program revision that includes both broadenings and restrictions in coverage, whether that general program revision is implemented through introduction of:

- a. A subsequent edition of this policy; or
- b. An amendatory endorsement.

11. Cancellation

- a. You may cancel this policy at any time by returning it to us or by letting us know in writing of the date cancellation is to take effect.
- b. We may cancel this policy by letting you know in writing of the date cancellation takes effect. This cancellation notice may be delivered to you or mailed to you at your mailing address shown in the Declarations. Proof of mailing will be sufficient proof of notice. The cancellation will be effective as of the date shown on the Cancellation Notice, but not less than ten (10) days after mailing to the address in this policy or last known address. The mailing of notice is sufficient proof of notice of cancellation. Delivery of notice shall be equivalent to mailing.
