

Mission-Ready Talent, Seamlessly Integrated

InterSec, a minority-owned Virginia-based corporation founded in 2013, provides strategic Tech Staffing solutions. We seamlessly integrate curated teams of engineers and compliance experts into your operations, accelerating delivery in complex environments. Our purpose-driven partnerships build trust and ensure critical tech initiatives stay on track, with no ramp-up needed.

Key Area of Expertise

GRC & Compliance

Ensuring compliance with Federal, State, and industry frameworks (NIST, FedRAMP, HIPAA, SOX).

Secure AI

Ensuring secure, responsible AI adoption via governance, risk, and defense.

ServiceNow GRC

Optimizing GRC processes via ServiceNow Policy, Risk, IRM, and automation.

DevSecOps

Hardening CI/CD pipelines, integrating security testing, and securing container environments.

Incident Response

Rapid strategies for breach containment, forensics, and swift operations restoration.

Our Differentiators

Mission-Aligned & Impact-Ready Talent

Domain-Specific Training & Mentorship

Collaborative & Strategic Partnership

Rigorous & AI-Driven Vetting

Sustained Post-Placement Support
