### Notes on the suggested clothing

1. Please ensure, wherever possible, that items brought to Robinwood are marked with the child's name. It is really helpful if the school's name can also be indicated. We do our very best to return all property to the children that it belongs to and this is made much easier if items are named.
2. We have a drying room and also provide a laundry facility for children's clothing at Robinwood. Wet and/or dirty clothing will be washed on a 30-degree cycle and dried in a tumble drier. Please do not bring any new or expensive items, or any items which cannot be tumble dried. Please note that we don't have time to offer this service on the last morning, so if clothes get wet on you final day it's likely you will return with some damp clothes. The black bin liner listed is helpful to keep these separate from other clothes.
3. As a result of the provision of specialist Robinwood clothing and the laundry facility offered, children do not need to bring much additional clothing with them. Keeping the clothing brought by children to a minimum helps us to reduce lost property, so please don't exceed numbers stated in this clothing list.
4. Due to the nature of the activities, it is possible that clothes may occasionally get damaged. All clothing should be suitable for use in an outdoor, and sometimes muddy, environment. Old clothes are best, not new or expensive clothing.

### Items not to bring

1. Please do not bring items such as mobile phones, any type of cameras (including disposables), computer games or iPads/tablets. Leave all expensive items at home.
2. Please do not bring any aerosol sprays. Our fire alarm is sensitive in order to ensure high standards of fire safety and aerosols sprayed near any of the many smoke alarm sensors can set off the fire alarm for the whole centre.
3. All bedding is provided, there is no need to bring your own bedding.

### Lost property

1. During the course we will collect any lost property and display it for the group to re-claim whenever possible, particularly at the end of the course. If lost property appears after the group has left Robinwood we will post this on to the school, if the school and/or the owner can be identified.
2. If it is recognised that items have been lost whilst at Robinwood, it is best to let the school know, so that they can log details of the missing item(s) with us. We will be happy to search on centre for any lost items, as long as we are notified no more than 3 operational weeks after the course finished. We will then either return items or confirm that unfortunately we have been unable to find them.

Below you'll find a useful resource for including your child in the packing process. We believe this helps them develop a responsibility for their belongings, and look after them during the trip, reducing the amount of lost property.
