

# Florence Starts School

**A day in the life of a child in Reception**

**Hello.  
My name  
is Florence.**

**I am 4 years old, and  
I have just started  
school in one of the  
Reception classes.**

I have a hook with my name and picture.  
I can hang up my coat.

I keep my wellington boots there too  
for when I go to Forest School.

I have a special green school bag. I bring a water bottle each day and put it on my circle until I need it.

I also bring a healthy snack of fruit or vegetables.

There are lots of grown-ups in school to keep me happy and safe and help me do my best learning.

## Teachers

**Mrs Ball**

**Mrs Brooke**

**Mrs Langhorn**

There are lots of grown-ups in school to keep me happy and safe and help me do my best learning.

## Teaching Assistants

# Phonics

I have a phonics lesson with some of the other Reception children every day. I like to practise spelling.

I share a book 3 times a week.

I am enjoying learning to read.

# In the classroom

I can choose a play activity that helps me think and explore my own ideas.

# Playtime

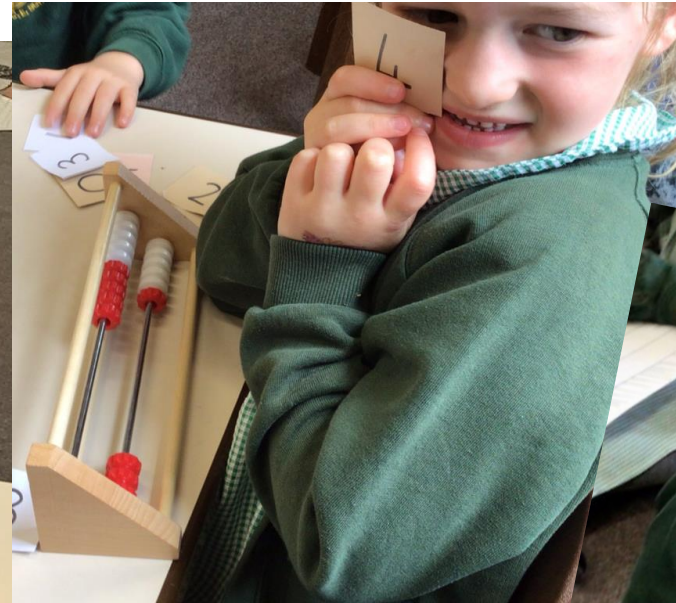

I can take my snack to eat outside.

I like to play with my friends.

# Maths and Writing

I love numbers. I have lots of fun in maths lessons.

I am also learning to write. I practise every day to form my letters correctly.

# Lunchtime

Today I am having sausages.  
It's one of my favourites.

The lunchtime supervisor  
is here to look after me.

# Outdoor area

Reception has its own outdoor area.

I love the mud kitchen, sand pit and water wall.

# Forest School

We go to forest school for outdoor learning.

I love learning about the natural world and seasons.

I am wearing different clothes today because it's PE.

I love exercising to keep fit and practising my skills.
