Parent Consultation Evenings – Save a Date

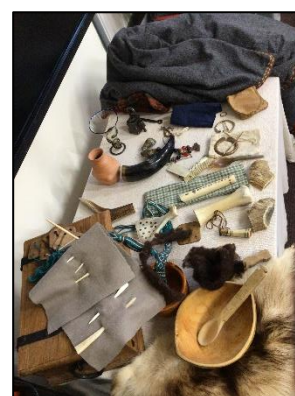

We will be holding our Spring Term Parents' Evening on:

- Wednesday 11th February
- Thursday 12th February

This is a valuable opportunity to discuss your child's progress and next steps. Booking information and time-slot details will be shared with families in the coming weeks.

Year 4 Viking Day

Year 4 had an amazing time during their **Viking Day** this week! The children explored a range of fascinating **Viking artefacts**, giving them a real insight into life during this period. A particular highlight was the chance to **try on chain mail**, which helped them understand just how heavy and protective Viking armour really was! The day sparked lots of curiosity and great discussion, and the children represented the school brilliantly. Well done, Year 4!

Hand Warmers

As the weather turns colder, we understand that children may want to keep warm whilst playing outside at break times. However, we kindly ask that you do not send electronic or gel-based hand-warming devices into school. These items can pose several health and safety risks, including:

- Burns or skin irritation from overheated devices or leaking gel.
- Fire hazards if electronic devices are left on during lessons, malfunction or are damaged.
- Chemical exposure from gel packs if they split or burst.
- Distraction and misuse during lessons or playtime.

To keep everyone safe, please stick to traditional methods such as gloves or mittens. Thank you for your understanding and cooperation in helping us maintain a safe environment for all children.

Upcoming Events!

Young Voices – Choir Performance

Date: Thursday 5th February

Our school choir will be taking part in the incredible Young Voices concert, a truly unforgettable experience where thousands of children come together to sing in harmony. We're so proud of their hard work and can't wait to see them shine!
