This week, Reception and Year 1 had their history theme day. Take a look at the great pictures of the children in their home corner, washing and hanging out the clothes.

Reception 2027 - Open Evening

On Wednesday evening, we welcomed prospective parents and children to our school. They had the opportunity to visit the Reception unit, meet the staff, look around the school, try activities in the classrooms, and meet pupils and staff from other areas of the school. There are still opportunities to visit through our Stay and Play sessions and daytime tours. Click the QR code to book a place.

End of Day Pick-Up

To help everyone leave safely at the end of the day, please wait on the top playground until classes begin to come outside. Please remain behind the red line, including when waiting for siblings. This gives staff a clear view of parents and carers and keeps a safe route open for out-of-school providers leaving the premises. Parents and carers with pushchairs, and anyone with mobility difficulties, may wait in front of the school hall. Once your child has been handed over, they are in your care. Please supervise them closely and ensure that they do not play in out-of-bounds areas, particularly those with limited visibility, such as behind the top-playground shed or the hedges. Children know that these areas are also out of bounds at break times. Parents who would like to speak to the class teacher, please allow staff to complete their handovers. Thank you for helping us to keep pick-up safe and orderly.
