

### Christian Values

During collective worship and class reflection time we will be focussing on 'kindness'

### RE

Our focus is 'Creation' and looking at whether religion and science is conflicting or complementary

### Maths

Place value and the four operations. We will also be focussing on improving arithmetic to develop confidence tackling these questions.

### Humanities

Our focus this half term is history and the theme is WWII. There will be lots of content explored as well as a trip to the RAM.

### How can you help?

- Ensuring your child has completed their HW each Wednesday (though it is their responsibility and not yours)
  - Hearing your children reading aloud each day
- Checking in with a few basic arithmetic questions and spellings (please do not worry about this – I am always on hand to help if you need).
- Delving deeper with their HW should they need extension or further practise.
- Ensuring they have high expectations of themselves inside and outside of school.

### PE

Outdoor PE will be taken by LUFC on a Friday and indoor PE on a Monday will be dodgeball

### Science

Our topic is 'Animals including Humans – the circulatory system'.

### Wider Curriculum

Art – 2D to 3D Sculptures

Music – We've got rhythm! Rhythmic devices and structures

Computing – Internet Safety followed by Amazon Lab coding

### Friday Mornings

Mrs Marsland will teach year 6 on Friday morning.

### What will we be reading?

In class, we will be reading 'Plagued' as our whole class read. Children are also expected to have their own independent reader in school each day

### Reading

There will be numerous texts – a new extract each week – with a focus on vocabulary, textual understanding and exam rubric questions.

### English

The Boy in the Striped Pyjamas is our key text. We will be writing internal monologues, diary entries and analysing characters' thoughts and feelings. SPAG concepts (various) will also be a focus.

### PSHCE

We will be looking at online safety and health and wellbeing.
