

## Christian Values

During collective worship and class reflection time will be thinking about how we show that we care, we share, we laugh, and we learn together. **Please do join us every Friday for our family worship together.**

## Maths

Our focus this half term will move on to explore fractions and decimals. We aim this term to show your child the conceptual understanding behind the maths using different representations.

## Humanities

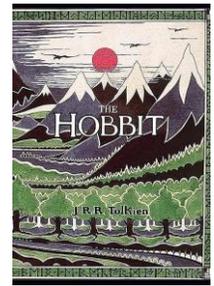

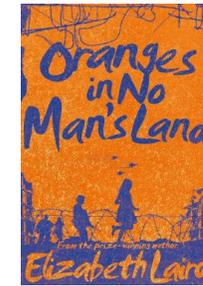

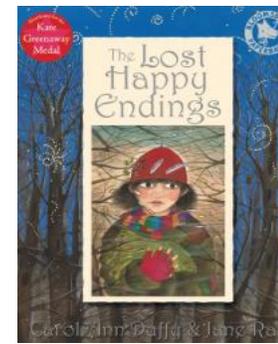

Our focus this half term is history. Our topic will be Victorian Britain, where we will be learning about the social change and inventions of this era.

## RE

We will be learning what the Gospel is and why the cross and resurrection are fundamental to belief in Jesus.

## Reading

Our daily reading lessons focus on developing a specific reading skill e.g. inference, vocabulary, retrieval. Extracts will be taken from a range of non-fiction and fiction texts. If your child is reading phonics or fluency books these must be brought to school every day.

## KEY UPDATES

**Tuesday: Swimming (until Easter)**

**Friday: PE**

# Year 4 Spring 2 Curriculum Newsletter

## Science

Our next topic is animals and humans. We will be thinking about our own bodies and exploring food chains with animals. We hope children will explore learning more about how amazing their own body is!

## PSHCE

We will be continuing to explore the theme of health and well-being through topics such as allergies, vaccinations and healthy habits.

## Writing

We will be writing a non-fiction text about how to make an Egyptian Mummy. We'll also be writing poems called 'Dear March'.

## HOW CAN YOU HELP?

Homework will be as following:

1. 30 mins of reading each night
2. 30 sessions of TTRs per week
3. Spellings on Spelling Shed
