Year 6 Curriculum Newsletter

Christian Values
During collective worship and class reflection time we will be focussing on 'kindness'

RE
Our focus is 'The Kingdom of God'. We will look at the teachings in the bible and how we can use these to build a better world.

Maths
The majority of this half term is on fractions followed by decimals. We will also be focussing on improving arithmetic to develop confidence tackling these questions.

Humanities
Our focus this half term is geography and the theme is 'Energy and Sustainability'. There will be lots of content explored as well as a trip to the RERF.

PE
Outdoor PE will be hockey and indoor PE will be dance.

Science
Our topic is 'Electricity' this half term. There will be lots of practical learning as well as theory.

What will we be reading?
In class, we will be reading 'The Christmas Dinner of Souls'. It is of horror genre and was voted for by the class to be read.

Wider Curriculum

DT – Creating automata toys
Music – We've got rhythm! Rhythmic devices and structures
Computing – The children will be working in partners to use 3D modelling to design a house and present their architectural companies to the rest of the class at the end of the project.

Reading
There will be numerous texts – a new extract each week – with a focus on vocabulary, textual understanding and exam rubric questions.

English
We will be focussing on 'The Island' and 'The Christmas Dinner of Souls' to create a dialogue narrative and write a horror story. We will also be doing some more poetry.

PSHCE
We will be finishing 'Health and Wellbeing' and move to 'Living in the Wider World'

How can you help?
- Ensuring your child has completed their HW each Friday
- Hearing your children reading aloud each day
- Giving them opportunities to go on to Spelling Shed (there are over 15 assignments now available for practise)
- Delving deeper with their HW should they need extension or further practise.
- Ensuring they have high expectations of themselves inside and outside of school.

KEY DATES
Wednesday 2nd December – trip to the RERF (no cost)

Please refer to the school newsletter for events relating to Christmas
