Year 4 Autumn 2 Curriculum Newsletter

Christian Values

During collective worship and class reflection time will be thinking about how we show that we care, we share, we laugh, and we learn together.

Please do join us every Friday for our family worship together.

Reading

Our daily reading lessons focus on developing a specific reading skill e.g. inference, vocabulary, retrieval. Extracts will be taken from a range of non-fiction and fiction texts. If your child is reading phonics or fluency books these must be brought to school every day.

English

Our writing units will be a non-chronoloigcal report, a diary entry and a narrative.

We will be exploring the texts of: Non Fiction Vikings, Leon and the Place In between and A Small Dragon.

Maths

Our focus this half term is on multiplication and division. We aim this term to show your child many different strategies that they can use when facing a multiplication or division question.

PE will continue to be on a Monday and a Thursday.

Please make sure that your child comes in weather appropriate clothes as the months get colder.

What will we be reading?

In class, we will be reading 'Beowulf' by Michael Morpurgo. This links to our History and English learning from last term.

Humanities

Our focus this half term is Geography. We will be exploring rivers. Their uses and the different journeys a river takes.

Science

Our topic is electricity. We will be exploring the ways in how electric current flow, what is needed within a circuit and what are and are not conductors of electricity.

PSHCE

We will be learning about living in the wider world, looking at career choices, finances and spending money wisely.

RE

We will be comparing different world views and what celebrations are important to different people.

HOW CAN YOU HELP?

Homework will be as following:

1. 30 mins of reading three times a week.
2. 20 sessions of TTRs per week
3. Spellings on Spelling Shed
