Dear Parents/Carers,

Spring Term One Clubs – Update

We are delighted to be running a wide range of fun and exciting clubs at St Chad's. Thank you to all that signed up or registered their child's interest. As mentioned in the newsletter, unfortunately, some of the external provided clubs did not have enough interest and the providers have decided they cannot run these clubs.

Most of our external providers have worked hard to ensure that parents have information quickly and clearly, however, we are aware that there are some that have not. Going forwards, we will not be working with these providers and will be ensuring that Senior Leadership and Office staff are included in external communication so that we are clear on what information has been shared.

Please note that with regards to engineering club we are aware that the provider has taken payment from those families who have signed up even though they are now not able to run the club based on the numbers signed up. The provider should now have contacted these families directly to arrange a refund.

Finally, we shared in our newsletter that swimming may be a club option although explained there were logistics, planning and/or contractual arrangements which were still to be finalised. We are still pursuing this option, but it is now unlikely that this will be in place this half term. As soon as we have an update then we will be in touch.

For ease, please find attached details of the clubs which are going ahead. We will be in touch later this half term about any changes and/or new clubs in the second half of the spring term and summer term as soon as we are able.

Should you have any queries in the meantime please do not hesitate to contact us.

Kind regards,

The Senior Leadership Team

Co-CEOs: Mrs Helen Pratten & Ms Catherine Garrett
