Dear Parents

Reports Year 1 to Year 6

I am writing to confirm that annual reports will be issued on Wednesday 18th March after school in advance of parents' evenings the following week with the exception of year 1 whose reports will be issued during the day on Wednesday 18th as Mrs Nicholls is on a training course after school.

The reports will follow the same approach and format as those issued in spring last year and will report on attitude to learning, progress and attainment. Regarding attainment we will be reporting on your child's expected attainment in the core subjects for the end of the academic year i.e. whether they are on track to be working at age-related expectations, for example, at the end of the year based on the evidence available so far.

As in previous years reports will be issued via SeeSaw. If you do not have a SeeSaw account or are unable to access it then please let the class teacher know or if you require a hard copy of the report then please contact the school office on office@stchadsprimary.net.

Parent consultations on Thursday 26th March or Wednesday 1st April will provide opportunities for you to raise any queries which you may have about your child(s) report.

Should you have any queries please do not hesitate to contact me.

Kind Regards
