Dear Parents/Carers,

Nursery (Nursery 2) and Reception Summer Reports 2026

As you will be aware from the whole school calendar and recent newsletters, reports for pupils in nursery to year 6 were going to be issued on **Monday 13th July**.

The reports for pupils in nursery 2 and reception are detailed annual reports. We know these reports are lovely to read, and the last week of term can be busy. With this in mind, we are now able to issue the reports earlier than intended.

The reports will include how your child/children are performing against the early learning goals and in reception will also include your child's attendance for this academic year as at Friday 5th June.

They will be issued via Tapestry as follows:

- For nursery 2 children during Thursday 25th June (am)
- For reception children during Friday 26th June (am)

If you do not have Tapestry or are unable to access it then please let the class teacher know. Should you require a hard copy of the report then please contact the school office office@stchadsprimary.net.

Please do not hesitate to contact me should you have any queries.

Kind regards,

Gina Marsland
