Little Wandle Reading Books – Important Reminder

Dear Parents/Carers,

As we begin a new school year, we would like to ask for your help in ensuring that all of our **Little Wandle reading books** are returned to school.

Please could you have a look at home for any Little Wandle books that may have been left in book bags, bedrooms or around the house and return them to school as soon as possible.

Our reading books are an important resource for the children and we need to ensure that we have enough copies available for every child to use. We appreciate that books can occasionally get misplaced or damaged, but we would like to remind families that **going forward, a charge of £5 may be made for books that are lost or returned damaged**. This will allow us to replace books and ensure that children continue to have access to the full range of reading materials they need.

We would be grateful if you could encourage your child to look after their reading book and keep it somewhere safe at home when it is not being read.

Thank you for your continued support in helping us to develop a love of reading and to ensure that our reading resources are looked after.

Kind regards,

Miss Griffiths
