Dear Parents and Carers,

As we start the second half of your child's first term in Reception at St. Chad's, we would be grateful if you could take a few minutes to complete our short Parent survey.

Your feedback will help us understand what has worked well during the transition process and identify any areas where we can improve the experience for future families.
We always like to continuously improve so your feedback is valued. We do listen as it was based on parent feedback that we altered the length of our phased start

Please complete the survey here: https://tinyurl.com/SCYRParentSurvey26

Thank you for your time and support. We value your views and appreciate your help in shaping the best possible experience for our pupils and families.

Kind regards,

St. Chad's CofE Primary School
