## who was st valentine?

### From History to Hearts...

St. Valentine was a real person who lived during the 3rd century in ancient Rome. While there are a few legends about him, most stories agree that he was a kind priest who cared deeply about people and believed in love, compassion, and helping others.

One popular legend says that Valentine secretly performed weddings for young couples when marriage was not allowed by the emperor. Another story says he helped people in need and showed kindness to everyone he met.

Over time, St. Valentine became associated with love, friendship, and caring for others. Many years later, February 14th was named St. Valentine's Day in his honor—a day to celebrate love in all its forms.

Today, Valentine's Day is not just about romance, but also about friendship, kindness, and appreciation for the people who make our lives brighter.

## CHAPLAIN'S CORNER

*Love One Another by Bill Nocita, Campus Minister*

The month of February brings groundhogs, Superbowls, and presidents' birthdays, but the most special day of all is right in the middle – Valentine's Day! Despite today's emphasis on cards, chocolates and candlelight dinners, the truest portrayal of love is found in the Bible. This "agape" love is an unconditional, selfless and sacrificial love that God first showed to us - the desire to do what is best for another, regardless of our own cost. The apostle Paul describes this type of love beautifully in 1 Corinthians 13:4-7:4

4 Love is patient and kind; love does not envy or boast; it is not arrogant or rude. It does not insist on its own way; it is not irritable or resentful; 6 it does not rejoice at wrongdoing, but rejoices with the truth. 7 Love bears all things, believes all things, hopes all things, endures all things.

"Agape" love isn't based on emotion alone; it's rooted in choice and action. On Valentine's Day, we're reminded that lasting love requires us to be intentional - choosing patience when frustrated, kindness when overlooked, and forgiveness when hurt. In marriage and close relationships, we often fail. But, because we are loved perfectly by God, we can extend grace to one another. Let this be a day not just to celebrate how much we feel loved, but how deeply we choose to love. Happy Valentine's Day!

- "Love is willing to do everything for the one you love" - Amy

welcome to our new

resident!

Maureen (Ferguson-Meyers) Klinger, also known as Moe, is a new resident of Church of Christ and is happy to call it her new home. She has been enjoying the cozy atmosphere, delicious food, and the wonderful care she is receiving.

Maureen grew up in East Detroit and graduated in 1960. She married the love of her life, Kenneth Meyers, and the couple settled in Warren, where they raised their four children. Tragically, in 1970 Ken passed away at the age of 29, leaving Maureen to raise their young children on her own until 1976.

Maureen later married Bob Klinger, a widower with three children. Together, they raised their large, blended family in Sterling Heights. Moe was always a dedicated stay-at-home mom, keeping a meticulous household, chauffeuring her children to activities, hosting large family gatherings, and traveling "up north" to their cottage in Houghton Lake.

A founding parishioner of Saint Malachy Church, Maureen remained very involved over the years through the women's group, church festivals, decorating committee, and funeral luncheons. She proudly embraces her Irish heritage and lovingly tended her garden throughout the seasons until just a few years ago.

Known by her family as "expert on all subjects," Moe has the gift of gab and enjoys talking about just about anything. She would love the opportunity to meet new friends and continue sharing stories here at Church of Christ.

FUN THINGS ABOUT EVE...

Eve Baudeloque was born in California and raised primarily in Michigan. She is the eldest of three children and the only girl. She gravitated back to the sunshine of California to spend most of her adult life. She recently returned to Michigan to be near her brother, Jacques, and his family.

With an education in architecture, Eve worked in many capacities over the years in that sector. In later years, Eve found a lot of joy working for an estate sale company. She loved finding special treasures along the way. She has a keen eye!!!

Along with her mother, Eve loved to travel. She developed a fondness for France and Italy. She spent many trips visiting relatives that lived in Paris.

Eve continues to enjoy puzzles, reading, shopping and spending time with family.
