THIS MONTH'S THEME: Follow The Star

Many families hit the road during the Christmas season. Whether it's to visit loved ones or to see light displays, a road trip is a time-honored tradition. This month, we will learn about the travels of many people in the Christmas story, including those who were guided by a special star to the birthplace of the Savior.

TODAY'S BIG IDEA

God gives a
SAVIOR to guide us.

MEMORY VERSE

"I am the light of the world. Whoever follows Me will never walk in darkness but will have the light of life."
John 8:12, NIV

BIBLE STORY

A Special Message for Shepherds
Luke 2:1-20; John 4:42

ABOUT THIS WEEK

Most people need a map or GPS to guide them to their final destination on a road trip. This week, we learned about the angels who guided a group of shepherds to Bethlehem so they could be the first people to meet Jesus. Their incredible journey was an important sign that the Savior came for everyone.

TALK ABOUT IT

- Why did Mary and Joseph go on a road trip?
- Where did they travel from and to?
- Why do you think the angels appeared to shepherds?
- What did the shepherds do after the angels appeared?
- What does it mean for Jesus to be our Savior?
- How do you know you need a Savior?
