THIS MONTH'S THEME:

Along the Way

People often say, "It's about the journey, not the destination," when their travel plans don't work out how they expected. This phrase couldn't have been more true for Job, who went through a shocking journey. In this 4-week series, we will learn how to navigate loss and uncertainty to trust God every step along of the way.

TODAY'S BIG IDEA

God is bigger than we could ever understand.

MEMORY VERSE

"The Lord will watch
will watch over your
coming and going, both
now and forever."

Psalm 121:8, NIV

BIBLE STORY

God Speaks to Job

Job 38, Isaiah 55:8-9, Romans 8:39

ABOUT THIS WEEK

This week, we explored God's response as Job tried to understand what was happening in his life and why. God didn't give Job an answer though. God asked him a bunch of questions that helped Job, and us, recognize that God is bigger than we could ever understand. We should respect and honor God's power and goodness as we choose to trust.

TALK ABOUT IT

- Who created the earth and everything in it?
- Why did God asked Job this question?
- How do you think Job felt when God asked him this question?
- Why do you think God didn't directly answer Job's questions about why bad things happened?
- How can you show that you trust God, even when you don't fully understand how big God is?
- Can anything separate you from God's love?
