

CORNERSTONE KIDS THIS WEEK

JUNE 7, 2026

THIS MONTH'S THEME:

IN THE BEGINNING

God created everything with care and purpose. He showed His incredible love for all of creation—especially us. We can give that love back by taking care of the world God has given us, especially the people God made in His image.

TODAY'S BIG IDEA

God made the world and everything in it.

MEMORY VERSE

“The earth belongs to the Lord. And so does everything in it. The world belongs to Him. And so do all those who live in it.”

Psalm 24:1 (NIRV)

BIBLE STORY

CREATION

Genesis 1, Psalm 33:4-9

ABOUT THIS WEEK

From sky-high mountains to the deepest oceans, nothing in our world happened by accident. This week, we learned how God carefully created every part of the Earth, filling it with beauty and purpose. Every waterfall, forest, and creature is a reminder that God made the world and everything in it. We can trust God because He is in control of everything.

TALK ABOUT IT

- What did God say about each thing He created?
- How does creation help people to find God?
- What is your favorite thing that God created?
- How does knowing God is our Creator help us trust Him more?
- How can you practice resting in God's presence?
- What can you do to care for God's creation?
