

CORNERSTONE KIDS THIS WEEK

JUNE 14, 2026

THIS MONTH'S THEME:

IN THE BEGINNING

God created everything with care and purpose. He showed His incredible love for all of creation—especially us. We can give that love back by taking care of the world God has given us, especially the people God made in His image.

TODAY'S BIG IDEA

We are made in God's image.

MEMORY VERSE

"The earth belongs to the Lord. And so does everything in it. The world belongs to Him. And so do all those who live in it."

Psalm 24:1 (NIRV)

BIBLE STORY

CREATION

Genesis 1-2, 2 Corinthians 3:18

ABOUT THIS WEEK

Every part of nature, from tiny insects to the grandest trees, is unique, but people are extra special. This week, we learned how God created the first humans with care and purpose, designing them to reflect who God is in a way nothing else can. Just as God made Adam and Eve with intention, we can trust that we are wonderfully made, too, because we are made in God's image.

TALK ABOUT IT

- Who made people? How?
- How were humans made differently than the rest of creation?
- What job did God give to humans?
- How can we reflect God to others?
- When do you most need to remember you are made in God's image?
- When do you most need to remember that other people are made in God's image?

COMING UP

Monday to Thursday, June 22-25 - VBS

Friday, June 26 - VBS Family Experience - 6:30pm

June 28 - Kindergarteners Move Up to Kids Church

July 5 - 5th Graders Move Up to Youth
