Voting by Electronic Means

Local 26/Local 45

Whereas imposing a requirement for votes to decertify to be conducted only by paper ballots does not provide sufficient flexibility to local student association members; and

Whereas conducting votes by electronic means should be permitted, as it provides an efficient and convenient alternative to paper ballots and will encourage additional student engagement; therefore

Be it resolved that Bylaw I Section 6.g.i. be amended by inserting the phrase “or a ballot conducted by electronic means” after the phrase “Voting must be conducted by paper ballot”;

Be it further resolved that Bylaw I Section 6.g.i. be amended by deleting the word “Voting” at the beginning of the second sentence and substituting in place thereof the phrase “If voting is by paper ballot, voting”; and

Be it further resolved that Bylaw I Section 6.g.iv. be amended by deleting the word “The” at the beginning of the sentence and substituting in place thereof the phrase “If voting is conducted by paper ballot, the”.

g. Voting and Tabulation

i. Voting must be conducted by paper ballot **or a ballot conducted by electronic means** and cannot be conducted in any other manner.

Voting **If voting is by paper ballot, voting** must be conducted at voting stations or, subject to the agreement of the Chief Returning Officer, by mail-out ballot. It shall be the responsibility of the member local student association to obtain and provide to the Chief Returning Officer, no later than seven (7) days in advance of the vote, a list of all of the students eligible to vote. If the member local student association is unable to obtain or provide such a list, voting shall be conducted through a double envelope system, whereby the ballot is placed in an unmarked envelope, which is placed in a second envelope, on which the voter writes their full name and student identification number. After voting ends, the

envelopes will be compared to a list of the students who are eligible to vote in the referendum. Duplicate ballots and ballots cast by ineligible voters shall be discarded. Once the validity of the votes has been verified, the outer envelopes will then be separated from the unmarked inner envelopes and tabulated.

ii. There shall be no less than sixteen (16) hours of polling over no less than two (2) and no more than five (5) days, except in the case of voting being conducted at a general meeting. In the event that voting is conducted at a general meeting, representatives of the Federation and Federation member local student associations shall be extended full speaking rights in the meeting.

iii. Unless mutually agreed otherwise by the member local student association and the Federation, the referendum question shall be: "Are you in favor of continued membership in the Canadian Federation of Students?"

iv. The **If voting is conducted by paper ballot**, the member local student association and the Federation shall each be permitted to appoint one (1) poll clerk for each polling station.

v. The member local student association and the Federation shall each be permitted to appoint one (1) poll scrutineer to oversee the counting of ballots.

Be it further resolved that Bylaw I Section 6.c. be amended by inserting the following "ix. deciding the manner in which online voting shall be conducted and software to be utilized"

c. Chief Returning Officer

For each referendum on continued membership, the National Executive shall recommend an individual to serve as the Chief Returning Officer. The Chief Returning Officer's appointment is subject to ratification by a general meeting of the Federation. The Chief Returning Officer shall oversee the referendum and be responsible for:

- i. establishing the notice requirement for the referendum in accordance with Bylaw I, Section 6.d and ensuring that notice is posted;
- ii. establishing the campaign period in accordance with Bylaw I, Section 6.e;
- iii. approving all campaign materials in accordance with Bylaw I, Section 6.f and removing campaign materials that have not been approved;
- iv. deciding the number and location of polling stations;
- v. setting the hours of voting in accordance with Bylaw I, Section 6.g;
- vi. overseeing all aspects of the voting;
- vii. counting the ballots following the vote; and
- viii. establishing all other rules and regulations for the vote.

ix. deciding the manner in which online voting shall be conducted and software to be utilized.

2024/11:N13 MOTION

Voting Threshold

Local 26/Local 45

Whereas the current petition and quorum thresholds required in the decertification process create significant hardship for local student association members who wish to decertify and discontinue as members of the Federation; and

Whereas local student association members are faced with low student engagement in relation to matters requiring students to vote generally; therefore

Be it resolved that Bylaw I Section 3.a.iii. be amended by deleting the phrase “fifteen percent (15%)” and substituting in place thereof the phrase “two percent (2%)”;

3. Student and Member Rights

a. Rights of Students

- i. The students collectively belonging to a local student association will have sole authority to make decisions through a vote on all questions of membership of the local student association in the Federation, subject to the other provisions of this Bylaw.
- ii. The students collectively belonging to a local student association will have sole authority to initiate, by petition signed by not less than fifteen percent (15%) of such students and delivered to the National Executive, a vote to certify as described in Bylaw I, Section 4.
- iii. The students collectively belonging to a local student association will have sole authority to initiate a vote on decertification, as described in Bylaw I, Section 6, by submitting to the National Executive of the Federation a petition, signed by not less than fifteen percent (15%) **two percent (2%)** of such

students, calling for the vote.

Be it further resolved that the first paragraph of Bylaw I Section 6.a. be amended by deleting the phrase “fifteen percent (15%)” and substituting in place thereof the phrase “two percent (2%)”; and

6. Vote to Decertify

The students collectively belonging to a member local student association may vote on the question of continuing the membership of the local student association, subject to the following rules and procedures:

a. Petition

As per Bylaw I, Section 3.a.iii, a petition calling for a vote on decertification shall be signed by no less than fifteen percent (15%) **two percent (2%)** of the students collectively belonging to the member local student association and delivered to the National Executive of the Federation.

Be it further resolved that the first paragraph of Bylaw I Section 6.h. be amended by deleting the phrase “ten percent (10%)” and substituting in place thereof the phrase “one percent (1%)”.

6. Vote to Decertify

h. Quorum

Quorum for any vote on decertification shall be that of the member local student association or ten percent (10%) **one percent (1%)** of the students collectively belonging to the local student association, whichever is higher.

Local 70/ Local 99

Whereas on October 24, 2024, Immigration, Refugees and Citizenship Canada (IRCC) released details on the 2025-2027 Immigration Levels Plan, specifically targeting international students;

Whereas on November 1, 2024, IRCC introduced new policies impacting international students' eligibility for Post-Graduation Work Permit (PGWP) applications and raising language requirements;

Whereas IRCC previously proposed increasing international students' permitted working hours from 20 to 24 per week but has not yet enacted this change as of November 10, 2024;

Whereas these sudden policy changes create unforeseen obstacles for international students, disrupting their study, work, and residency plans in Canada;

NATIONAL EXECUTIVE MEETING AGENDA

Wednesday, February 19 - Thursday February 20th, 2025 • Online Zoom Meeting

Whereas international students are experiencing significant financial, academic, and professional challenges due to these abrupt shifts in immigration policy; Whereas these policy changes have caused instability, placing immense financial and mental strain on international students;

Let it be resolved that:

- 1.The Canadian Federation of Students (CFS) organize an International Student Support Committee to combat disinformation about policy changes and provide clear, accurate updates to international students.
- 2.The National Executive team appeal to the Canadian government before December 30, 2024, urging them to implement policies that ensure consistency and continuity, creating a stable immigration framework that minimizes disruptions to the education and career paths of international students.
- 3.The National Executive team further request that the Canadian government establish a reasonable transition period for all new immigration policies, allowing international students adequate time to adjust to significant changes without undue hardship.
- 4.The National Executive team call upon the Canadian government to enact the proposed 24-hour-per-week work limit for international students before January 31, 2025, to enhance flexibility and financial stability for international students.
- 5.The CFS Lobbying Committee prepare a comprehensive report detailing the negative impacts of the frequent and inconsistent changes in immigration policies on international students. This report will serve as a foundation for CFS advocacy efforts and government lobbying to bring about systematic policy reform.

4. Rights and Privileges of Members

All members of the Constituency Group are entitled to: a. to attend any Constituency Group meeting and to speak to any matter or motion which may arise; b. to vote at any Constituency Group or committee meeting; and c. to nominate one member to act as International Students Commissioner.

Whereas Membership bylaw 3a was cited in informing several delegates that they were not able to vote at the 2024 CFS National General Meeting, and;

Whereas the interpretation of this bylaw is unclear, and does not inherently justify the removal of a delegate's vote, and;

Whereas each constituency space has clauses indicating that delegates were otherwise eligible to hold a vote, and;

Whereas the status of the right to vote for members sent by provincial associations was unclear, and in some instances, delegates sent by provincial associations were allowed to vote, and;

Be it resolved that the interpretation of the given bylaw be confirmed at the Closing Plenary session of the 2024 CFS NGM

a) Voting on the motion will follow standard plenary voting procedure (one local, one vote)

Be it further resolved that should the interpretation of the bylaw be found incorrectly applied by the Federation's understanding, an immediate recall of constituency elections will be held in all constituency spaces.

Be it further resolved that, the National Executive commit to reviewing and providing clarity on what "membership" and voting bylaws, and their findings addressed at the 2025 CFS NGM
