LMC offer optional additional enrichment curriculums (Art Class, Yoga Class, Stem Class, Lego Class, etc.) for children enrolled to the full day programs. LMC determine the type of Enrichment Curriculum activities considering the availability of external instructors and LMC's staff shifts.

- Morning Enrichment Curriculum (7:30am-8:30am) - \$15 per occasion or \$150 per month
- Afternoon Enrichment Curriculum (3:30pm-5:30pm) - \$27.5 per occasion or \$295 per month
- Combined Morning and Afternoon Enrichment Curriculum - \$395 per month

Please keep in mind that Montessori curriculum is not “preparation” for elementary school, it is a preparation for life. For a child to fully reap the benefits of a Montessori education, they ideally should be enrolled into the Toddler Program, and then into three years of the Casa Program.
