

Storage Size Guide

Pick your perfect unit

A bit about our team at Lockspot

Simple, hassle free self storage for personal, trade and business use

After experiencing firsthand how difficult it was to find simple self-storage solutions, we decided to take matters into our own hands, opening our award-winning facility in 2017.

Our Storage Benefits

Drive-up Access

We offer container based self storage, giving you the flexibility to drive up to your unit.

Flexible Plans

We don't tie you into strict contracts- but we reward those who are with us for the long haul.

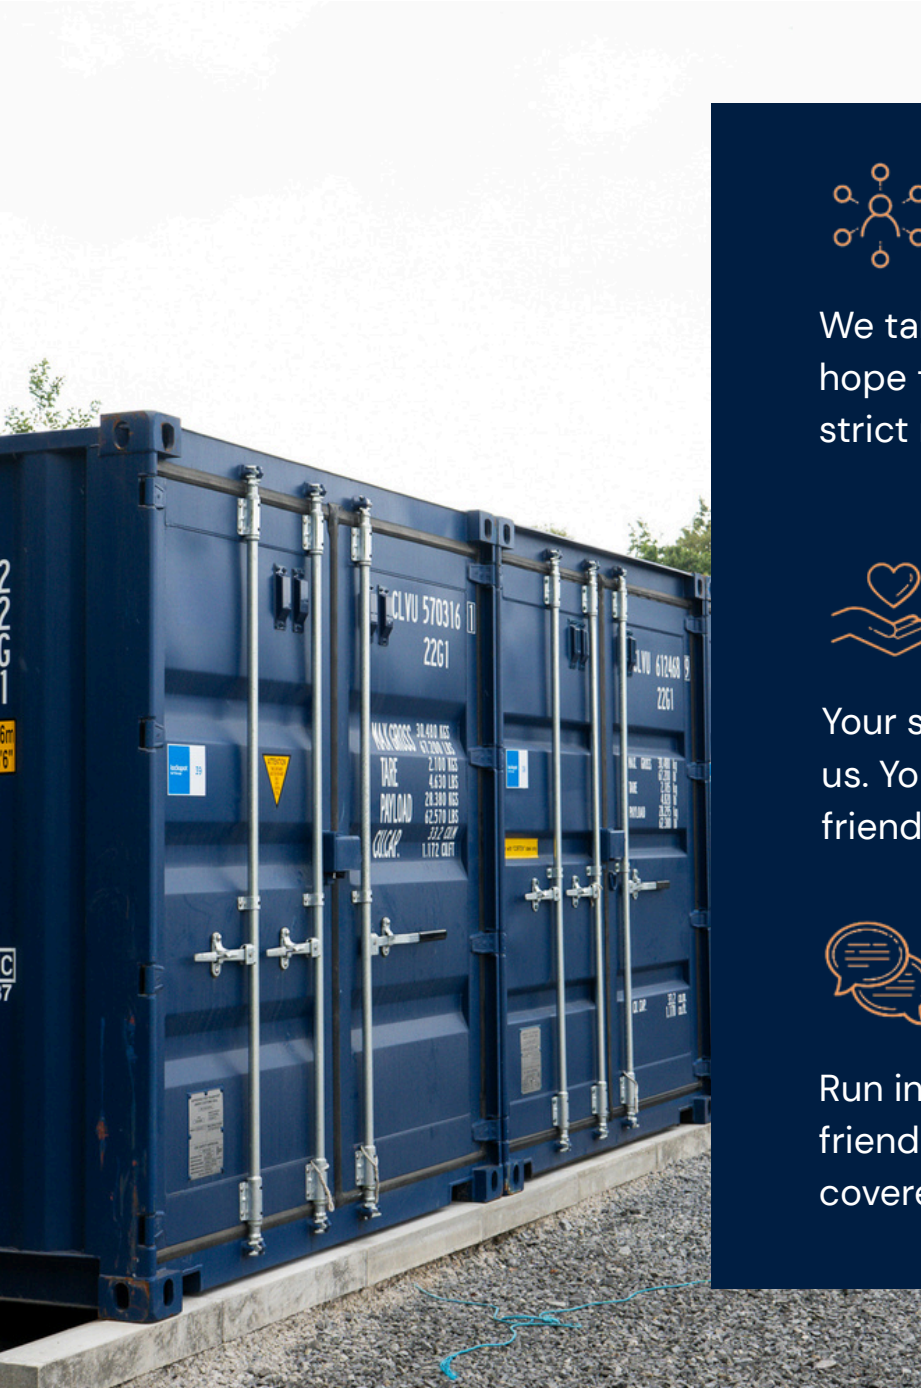

Secure Facilities

Each of our sites are monitored 24/7 by a fully monitored CCTV control centre.

Our Storage Benefits

Clean Environment

We take pride in our sites and we hope that you will too. We enforce a strict no litter policy.

Friendly Staff

Your satisfaction is very important to us. You'll always be greeted by friendly and knowledgeable staff.

Top-notch Support

Run into trouble? Don't fret, our friendly support staff have you covered.

Option 1: Small Containers

Measurements

L: 7ft x W: 9ft

L:8ft x W:6ft

Ideal for those needing a bit of extra space without committing to a larger unit. These are great for short-term use and first-time storers.

What can I store in this unit? (Examples)	Who can benefit from this storage type?	Pricing Guide
<ul style="list-style-type: none">• Seasonal storage• Tools• Hobby equipment e.g bikes, garden tools• Pop-up event storage	<ul style="list-style-type: none">• Homeowners• Students• Tradespeople• Event Organisers• Start-ups• Charities	<p>Pricing for these units begin at £80 per month</p> <p>Please submit a request for accurate pricing</p>

Option 2: 10ft Containers

Measurements

L: 10ft x W: 8ft

A great balance between compact size and generous storage capacity. A fantastic flexible option for upgrading or downgrading unit sizes.
