

Dawn Ceiling by Studio Enti

The Dawn Ceiling Light is a hand-cast porcelain fixture crafted in Sydney, Australia, designed to deliver soft, ambient illumination from a clean, minimal form. Its gently flared silhouette sits close to the ceiling, creating a diffuse glow that enhances both intimate and open spaces.

Available in multiple sizes and all Studio Enti colourways, Dawn offers varying translucency depending on the shade selected. White, Wisp and Cloud allow a subtle glow through the porcelain body, while deeper tones create a more directional, sculptural effect.

Ideal for hallways, bedrooms, kitchens and architectural settings where a refined, unobtrusive ceiling light is desired, Dawn provides durability, versatility and the quiet material presence of hand-crafted porcelain.

Shade Size
