# *WELCOME TO THE TWENTIETH ANNUAL OHS FOUNDATION HALL OF FAME CEREMONY 2026*

Today, we gather to celebrate a truly remarkable milestone in the history of Oceanside High School and the Oceanside High School Foundation.

This year marks 120 years of excellence for Oceanside High School, a legacy that began in 1906 and continues today through the accomplishments, traditions, and Pirate Spirit that unite generations of students and alumni.

We are also proud to celebrate 40 years of the Oceanside High School Foundation, which was established in 1986 to support our students, teachers, staff, programs, and the enduring legacy of our beloved school.

And as we celebrate these historic anniversaries, we also mark 20 years of the OHS Foundation Hall of Fame. Since its beginning, the Hall of Fame has honored extraordinary individuals whose achievements, service, character, and dedication have brought distinction and pride to Oceanside High School.

Today, we continue that tradition as we recognize another outstanding class of inductees. Each has made a lasting impact in their chosen field, their community, and the lives of others—and each carries forward the spirit of excellence that has defined Oceanside High School for 120 years.

We also invite you to become part of the future of the OHS Foundation. Your support—whether through a donation, annual supporter, volunteer service, or participation in our events—helps us continue providing scholarships, faculty grants, student programs, campus improvements, and opportunities that make a lasting difference for our Pirates.

We encourage you to visit the OHS Foundation website at **www.ohsfoundation.org** to learn more about our history and mission, discover ways to become involved, support our programs, learn about our Hall of Fame inductees, and stay informed about upcoming events and opportunities. You can also sign up to receive our newsletter and connect with us as we continue to preserve our traditions while investing in the future of Oceanside High School.

Please join us as we celebrate our history, honor our legacy, and welcome the newest members of the OHS Foundation Hall of Fame.

***Once a Pirate, Always a Pirate!***

Academics

# Alicia Tanpreet Johal

*Class of 2006*

Alicia Tanpreet Johal, M.Ed., is a middle school assistant principal whose roots in the Oceanside community continue to shape her commitment to local students and families. As a former Oceanside student-athlete, she is deeply grateful for the teachers, coaches, mentors, friends, and family who helped shape her path and inspired her commitment to education. Now in her 14th year in education, across public, charter, independent, and nonprofit educational settings, Alicia has worked to create engaging learning programs that expand student access to STEM, computer science, and robotics. Her efforts have focused on ensuring more students have opportunities to explore, create, and succeed in academic settings. Alicia also serves on the board of the Elementary Institute of Science, where she supports efforts to expand access to high-quality STEM learning opportunities for young people across the region, particularly in communities that have historically had fewer resources and opportunities in science, technology, engineering, and mathematics. She believes every student deserves the chance to explore, create, and see themselves reflected in STEM pathways. Alicia credits her journey to the unwavering support of her family, as well as the encouragement of many educators and mentors along the way, especially Mrs. Nancy Miller, who has been a source of guidance for her, since high school. Receiving this recognition from the Oceanside High School Foundation is especially meaningful because it reflects the strength of a community that continues to support, inspire, and invest in its students long after graduation.

Arts

# Luis Oceguera

*Class of 1997*

A 1997 graduate of Oceanside High School, Luis is a respected cultural educator, folklórico director, and community leader dedicated to preserving and promoting Mexican heritage through dance, music, and education. For more than 20 years, he has inspired youth and families throughout Southern California by creating opportunities for cultural enrichment, artistic expression, and personal growth. In 2004, he founded Grupo Folklórico Tapatío de Oceanside, an award-winning organization that has become a cornerstone of cultural arts in the community. As Director and Lead Instructor, he mentors students, coordinates performances and workshops, and fosters cultural pride through the traditions of Mexican folkloric dance. Under his leadership, the group has earned numerous first-place competition awards and recognition for excellence. Since 2006, he has served as a cultural educator and dance instructor in North County San Diego schools, integrating cultural arts into student learning and community engagement. In 2014, he began coordinating the City of Oceanside's annual Noche Mexicana celebration, bringing together dance, music, and educational programming through strong community partnerships. In 2025, he expanded his impact by founding and teaching free Mariachi classes through the City of Oceanside, making traditional music education accessible to all. His commitment to cultural preservation and youth mentorship has earned him multiple community awards, mayoral recognition, media features, and more than 30 competition trophies. He continues to be a passionate advocate for the arts, education, and the celebration of Mexican culture.

Athletics

# Allan Joseph Stelmach

*(Posthumously)*

*Class of 1956*

When Allan Joseph Stelmach moved with his family from St. Louis, Missouri, to Oceanside, California, in 1954, he quickly distinguished himself as an exceptional student and athlete at Oceanside-Carlsbad High School. He served as Senior Class President and earned varsity letters in baseball, football, and basketball. Allan received First Team All-League honors in both football and baseball and was the quarterback, captain, and MVP of the varsity football team. Under his leadership, the team captured Avocado League Championships in 1954 and 1955—the first in school history—and advanced to the CIF playoffs. Coach John Simcox described Allan as an athletic genius, often allowing him to call his own plays. Allan also excelled in baseball, leading the team with a .367 batting average. Beyond athletics, Allan became a valued community leader and volunteer. He was an active member of the Rotary Club and among the earliest members of the First Presbyterian Church of Oceanside. Alongside his father, Joseph Stelmach, he helped establish and manage the Oceanside Buccaneers, a semi-professional baseball team, serving as both player and coach. After earning a Bachelor of Arts degree in Philosophy from the University of Texas, Allan returned to North County, where he and his wife, Suzanne, raised their three children: Roger, David, and Kathryn. Professionally, he worked as General Sales Manager for KSON and KYXY radio stations before concluding his career with Entravision Radio and Television. Known for his dedication to youth sports, Allan coached and coordinated Little League, Pony League, and Colt League teams and served as President of the Carlsbad Pony League. His leadership saved the league from dissolution and earned him the City of Carlsbad's Civic and Meritorious Service Award in 1981. Allan's legacy is one of leadership, sportsmanship, and community service.

Business

# Clayton Banks

*Class of 1978*

Born and raised in Oceanside, California, Clayton Banks learned the value of hard work early. At age 12, he delivered newspapers throughout his neighborhood, never imagining that a route built on headlines and deadlines would spark a lifelong journey in communications, media, technology, entrepreneurship, and community leadership. After graduating from California State University, Fullerton, Clayton began his career at Xerox before moving to New York into leadership roles with Showtime Networks, Sega Channel, and Comedy Central. Along the way, he completed the Executive Management Program at Harvard Business School and helped shape new media platforms during a transformative era in entertainment and technology. In 1998, Clayton founded Ember Media Corporation, producing multimedia content, including national recognition that resides in the William J. Clinton Presidential Library and Museum, and digital initiatives for leading global brands. In 2013, he founded Silicon Harlem, a pioneering organization dedicated to expanding broadband access, digital literacy, workforce development, and technology opportunities in underserved communities. Through Silicon Harlem, Clayton has helped students discover careers in technology, supported innovation and entrepreneurship, and championed the belief that access to technology can unlock opportunity for individuals, families, and entire communities. From delivering newspapers in Oceanside to advancing digital equity initiatives, Clayton's career has been guided by a simple "Oceanside" principle: talent is everywhere, but opportunity is not. His life's work has focused on creating the access, exposure, and opportunities that help others reach their full potential.

# JOHNNY YAMAMOTO

Johnny Yamamoto graduated from Oceanside High School in 1942, where he proudly played on the Pirates varsity football team.

Shortly after graduation, Johnny and his family were forcibly relocated to the Poston War Relocation Center in Arizona. Despite the injustice they endured, Johnny answered the call to serve his country by enlisting in the United States Army. He became a member of the legendary 442nd Regimental Combat Team, the all-Japanese American unit that would become one of the most highly decorated military units in American history.

Johnny was among the first members of the 442nd to give his life in combat during the Allied campaign in Italy. His courage, loyalty, and unwavering commitment to the ideals of freedom and service stand as an enduring example of honor in the face of adversity.

Johnny Yamamoto was a credit to Oceanside High School, the Oceanside community, and the United States of America. He represented the very best of us all. On behalf of a grateful school, community, and nation, we honor his service, cherish his memory, and salute his ultimate sacrifice.

# of Jane

Jane Cinciarelli Brunst was a lifelong Oceanside resident, a proud alumna of Oceanside High School, and a devoted supporter of the OHS Foundation. The OHS Foundation Hall of Fame held a special place in her heart, as she believed deeply in recognizing and celebrating the accomplishments of others.

Jane's genuine kindness and sincere interest in everyone she met made an unforgettable impression. She never met a stranger—only a friend. This rare gift endeared her to countless people as she brought family, friends, and the community together to celebrate life's special moments. No task was ever too great if it meant making things easier, brighter, or better for someone else.

Jane was the glue that kept us connected, engaged, and caring for one another. In honor of her remarkable life and the lasting impact she had on so many, her Little League, soccer family and friends are proud to make a thousand-dollar donation to the OHS Foundation Hall of Fame in her memory.

Jane is deeply missed by all who had the privilege of knowing her, but her kindness, generosity, and spirit of friendship continue to inspire us and live on through the countless lives she touched.

*The following made this donation to the OHS Foundation toward the Hall of Fame in memory of Jane: Marianne & Patrick Senteno, Connie & Bill Camarena, Colleen Billings, Mike Smith, Steven Brunst, Christopher Brunst, Cara & Robin Rauschl, Cindy & Doug Brassington, Jeff Brassington, Lisa Russell, Carlee Westbrook, Zoe Erickson, Robert DeCrevoucour.*

Mark your calendars now for next year's All Class Reunion.
Sunday, June 27, 2027! You will not want to miss it!

Many classes host their class reunions this same weekend to be able to incorporate the All Class Reunion into their plans... Great idea!

# BECOME A TRI-CITY HOSPITAL AUXILIARY VOLUNTEER

**THIS IS THE PLACE WHERE YOUR EXPERIENCE AND ENERGY ARE NEEDED AND APPRECIATED.**

The Tri-City Hospital Volunteer Program was voted the #1 place to volunteer in North County by the North County Times Annual People's Choice Poll.

Our Volunteers contribute so much to Tri-City Medical Center. We have a dynamic team of active volunteers ranging in age from 15 to 90 who generously share their time and expertise throughout the Medical Center. They enrich all hospital experiences by providing valuable support services for our patients, families, visitors and staff and assist the Medical Center in its mission of promoting the health and well-being of the community.

**Testimonial from Judge Suzanne W. Knauf, 2012 Hall of Fame inductee:**

This wonderful and worthwhile volunteer experience is one of the most rewarding positions I have had in my life. Every volunteer provides a tremendous benefit to the hospital and any who enter their doors. I highly recommend devoting some of your time to the Tri-City Hospital Auxiliary.

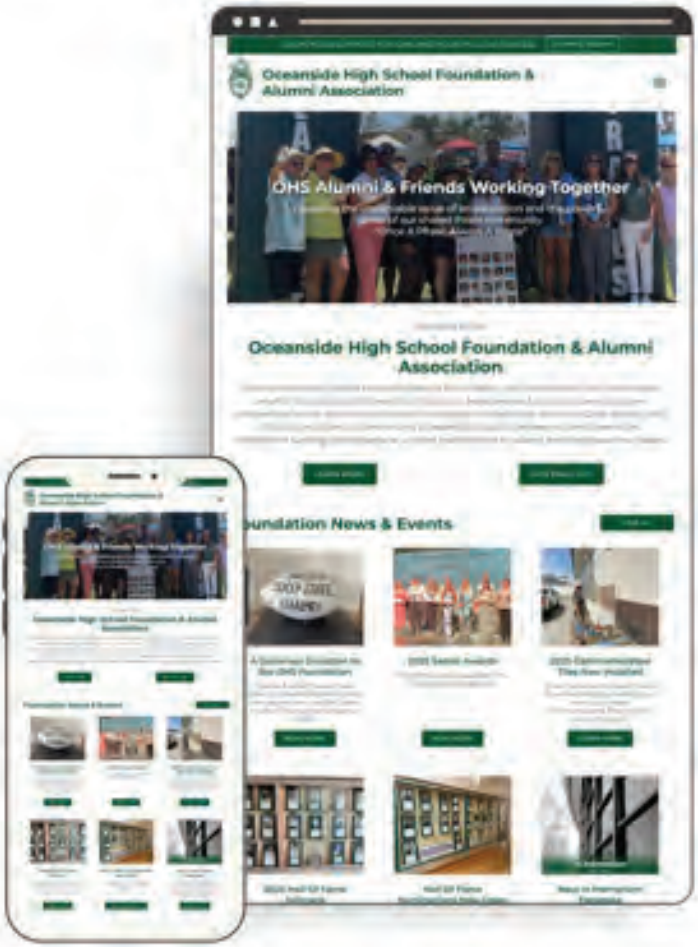

**Call 760.940.3125 for more information about volunteering or visit the Tri-City Auxiliary website at tricityhospitalauxiliary.org**
