POLICY TYPE

The Personal Umbrella policy provides for a \$1,000,000 basic limit of liability for each occurrence. Optional limits are available up to \$5,000,000. The two principal features include:

- Excess coverage over the insured's primary underlying policies.
- Additional coverage for exposures not provided for under the insured's primary policies (This coverage is subject to a retained limit of \$250, \$500 or \$1000).

The basic coverage under this program may include:

- Personal Liability including residences and farms
- Eligible owned and non-owned automobiles
- Watercraft
- Employers Liability
- Recreational Vehicles

RETENTION LIMIT DISCOUNTS

The minimum retention by the insured for occurrences not covered by underlying insurance is \$250. For retained limits greater than \$250, reduce the total premium as follows:

<u>Retained Limit</u>	<u>Premium Credit</u>
\$500	\$3.00
\$1,000	\$5.00

BILLING PAYMENT OPTIONS

Our Umbrella program offers three payment options to policyholders. These options are the following:

- Direct Bill – Pay in Full
- Direct Bill – 6 Pay requires two months down – 5 remaining installments every 45 days
- Automated Debit 12 Pay - A monthly (ACH) requires 2 months down

Down payments on any bill plan option can be made by the following payment types:

- ACH from the customer's account
- ACH Trust from the agent's trust account
- Credit Card

There is a \$5 Installment Fee applied to all Direct Bill pay plans to all installment payments, not the down payment.

Automated Debit 12 Pay requires an authorization form to be completed and attached to the policy or kept in the agency office. There is a \$1 service charge per installment when selecting this method of payment. This type of payment does require an immediate down payment. If no money is collected, an immediate transaction will pull from the customer's account.

There is a \$20 Insufficient Fund charge when a payment is not honored by the financial institution.

A \$20 fee will be applied for any rejected Credit Card payment.

In order to finalize any outstanding balances, there is a minimum seven-day delay until any refunds are processed.

In the event we receive an overpayment on a policy, the entire amount will be applied to the following installment and will not be divided among the remaining installments.

Endorsements that are made to a policy and results in an amount due will be divided among the remaining installments. If there are no remaining installments and an endorsement has been processed which results in a charge of \$25 or less, the amount will be added to the next renewal.

If a policy is cancelled for non-payment and a payment is later received there are two options:

- Reinstate with a lapse in coverage. This is allowed only within 16 days after cancellation and there is no coverage during this time. Payments received after the 16 days will be returned
- If 30 days past the due date, a new application must be submitted as new business, and all previous discounts will not apply
