It’s apparent by being awarded the Top Workplace award by our employees, our guiding principles carry over to all elements of the culture at Madison Mutual. “It only takes us each doing all we can, every day, to contribute towards improving. We all have a role to play in making that happen.” Said Nick Lannuti, Madison Mutual President. “While we all tend to get caught up in the weeds of details of our jobs on a daily basis, it’s an important reminder that we all contribute to the success of our company. As our staff continues to keep up the positive energy, they’ll certainly make the rest of the year one of the most amazing years yet.”

“Our team at Madison Mutual is a really fantastic group! It’s encouraging to see them showing up for one another, day after day. Not only at the office but outside our walls as well.” Jessica Harrelson, Director of Insurance Operations – Marketing & CX states. “We’ve worked exceptionally hard over the last several years to shift our culture to one where our employees can feel heard and included in major decisions. We want to make sure no one has the Sunday night ick, and I believe receiving this award by our employees for several years in a row, shows we’ve accomplished that!”
