## SKILLS

- Wireframing
- UX Research
- Digital User Flow
- Icons design
- Prototyping
- Communication and teamwork

## TOOLS

Webflow

Figma

React/VS Code

## EDUCATION

### PROFILE

I am a user advocate, who likes to make thoughtful and simple-to-use interfaces. My specialty is streamlining user flows, decluttering old sites, and working on new features.

2018- 2022

BA in Web Design + Digital Media

University of Central Florida

2020 - 2023

Certifications in UX/UI Design

Nielson Norman Group

## EXPERIENCE

2023 - 2025 | UX/UI Designer

Built a website from the ground up for a start-up based on competitor and market research.

Lawn Gnomes Landscaping, LLC

2023 - 2025 | Frontend/UX Designer

Created and built a marketing site for a local food truck start up business.

The Hungry Lab Food Truck

2023-2025 | UX/UI Designer

Collaborated with developers to deliver a digital portal for dentists to collaborate easily with dental labs.

Team Solutions Dental
