

HOW

DO

WE

FUEL

PROGRESSION?

SERVING THE COMMUNITY

to build a network and safe space for People of Colour who work and play in the outdoors and accelerate their opportunities through education, capacity-building and funding.

ALLYSHIP AND ACTIVISM

to drive awareness and to advocate for the active removal of the barriers faced by People of Colour in the outdoors.

RESEARCH AND THOUGHT-LEADERSHIP

to present evidence-based understanding of the barriers faced by People of Colour across Europe and to educate the industry at large on best-practises for progressive inclusion.
