Nova Wakefield District**

About Nova

Nova is a local charity that supports Voluntary, Community and Social Enterprise (VCSE) organisations in Wakefield District to thrive. We do this in three key ways:

1. Infrastructure Support

We support our member organisations from the local VCSE sector through a range of services, including:

- Learning & Development Workshops
- Sharing information and updates
- Direct support and advice

2. Providing a voice

We ensure that a VCSE voice influences policy that directly affects the sector. Our new project, VCSE Voices, is selecting senior leaders from the sector to attend strategic meetings across Wakefield District.

3. Securing resources for the sector

Our team co-ordinates various contract and funding opportunities for our members. This includes work on:

- The Third Sector Framework – an open and transparent process to distribute funding
- Wakefield District Funders Forum – bringing together local and national funders and others

You can find information about our other work on our website: www.nova-wd.org.uk

About Live Well Wakefield

Since 2017 Nova and South West Yorkshire Partnership Teaching NHS Trust have collaboratively delivered Live Well Wakefield services, providing social prescribing and self-management support to adult residents across the Wakefield District, and have provided services to Wakefield's Primary Care Networks since 2019.

Working closely with individuals to understand what matters to them, develop personalised care plans, and create connections with local community groups, services, and activities the service aims to help people improve their health and wellbeing by addressing non-clinical needs. In addition, the service works to identify gaps and build on local provision, provides intelligence to local health and social care systems and acts as a vital link between Primary Care, statutory services, and the local Voluntary, Community, and Social Enterprise (VCSE) sector.

The service and team are nationally recognised, and has won awards including:

Best Larger Social Prescribing project

2021 National Social Prescribing Network Awards

Social Prescribing Link Worker of the Year

2022 Social Prescribing Network Awards

Partnership Excellence

2024 SWYPFT Excellence Awards

Last year 100% of service users who evaluated the service rated the support they received as 'Very good' or 'Good', 98.5% achieved their primary health and wellbeing goal, and 84% improved their overall health and wellbeing.

Derek's Story

Recently widowed, Derek joined one of our supported self-management sessions at Pontefract Library, hoping to better manage his anxiety.

By the final week, Derek shared an incredible achievement – he had taken a solo trip to the coast by train, something he once thought was impossible, saying it was *"unthinkable for me a few weeks ago!"* He attributed this to the skills he had learned and practiced during the sessions.

Working at Nova

Reward Package for Live Well Wakefield

As a Nova employee you'll receive our full reward package, which includes:

28 days holiday a year plus bank holidays, increasing once you've been at Nova for five years	Annual pay reviews
Range of policies to ensure a supportive and inclusive workplace	5% salary contribution to a pension scheme

You'll also receive:

"Working for Nova is enjoyable and rewarding. I feel supported, valued and happy within my role."

Creating an inclusive culture

It is important to us to build an inclusive culture where members of staff feel valued and able to contribute to our vision. This means providing equal opportunity to all applicants and treating staff and applicants with respect.

We're working on this by:

- [Being a Mindful Employer](#) – we have signed the charter to demonstrate our commitment to better mental health at work.
- [Being a Living Wage Employer](#) – we choose to pay staff based on the cost of living.
- [Being part of the Wakefield Wellbeing Charter](#) – we joined the charter to access health and wellbeing initiatives for our staff, such as a series of short sessions on sleeping well.
- [Being an accredited Menopause Friendly Employer](#) – we are committed to maintaining policies, practices, training, and a culture that makes sure our staff have the guidance and support they need around menopause.

"The investment in employees is shown from the 1st day you start."
