

QUALITY POLICY STATEMENT

Vista Civil Engineering Limited aims to provide a defect-free product to its clients on time and within the agreed quote.

Management is committed to:

- Continually develop and improve our systems.
- The enhancement of client satisfaction.

The management has a continuing commitment to:

- Ensure that client needs and expectations are determined and fulfilled with the aim of achieving client satisfaction.
- Communicate regularly throughout the Company the importance of meeting client needs and all relevant statutory and regulatory requirements.
- Establish quality procedures and objectives.
- Ensure the availability of resources.
- Comply with all relevant statutory and regulatory requirements.
- Constantly monitor performance and implement improvements when required.

The Directors hold overall responsibility for ensuring quality is achieved and maintained.

The person ultimately responsible for the Companies quality management is the Managing Director. The commitment of all employees is required to ensure the successful delivery of quality.

A handwritten signature in black ink, appearing to read 'Bradley Hewitt', positioned above the printed name.
