

CREATIVES CALLOUT

Application Deadline: ***Thursday 26th November 2026***

Application Method: ***via email***

Nonsuch Studios recognise the positive values of diversity, promote equality and challenge discrimination. We welcome and encourage applications from people of all backgrounds as we are actively seeking to develop our team to better represent the diverse community we live and work in. We particularly welcome applications from individuals who define as D/deaf, disabled and/or neurodivergent, people of Global Majority Black heritage and of South, East and South-East Asian heritage and/or LGTQIA+. We will interview all applicants who are ethnically diverse and/or have a disability and who meet the essential criteria for this role.

Nonsuch Studios are looking to meet and connect with theatre and production creatives and specialists from across Nottingham, the East Midlands and beyond as we start planning a range of new production projects for 2027.

As we grow our production and produced offer, we're particularly interested in getting to know the amazing creatives local to us. This isn't a direct job call-out, but we're hoping to add to our pool of existing creatives which may lead to future opportunities or invites to pitch.

- Stage and production designers
- Costume designers
- Sound designers and composers
- Lighting designers and operators
- Production managers and Outdoor production specialists

There's no application form for this call-out, all we'd like to know is:

- Who you are, what you do and your past work (a CV attachment is fine)
- Where we can see examples of your work (a link or pdf attachment of your portfolio)
- What your connection is to Nottingham and the East Midlands
- Any other information you'd love us to know at this stage.

Please send your email to jobs@nonsuchstudios.co.uk with Creative Callout: ***YOUR SPECIALISM*** *(i.e. Lighting Designer)* in the subject line.
We always welcome new connections with creatives, and you can always drop us a line to introduce yourself, but this specific call-out will close and be reviewed after **Thursday 26th November 2026.**
