### Attention :

1. When taking, moving and installing the lamp, do not touch or use tools on the luminous surface. Please check the LED chip before use.
2. Warning: Please note that the assembly process must ensure the plug-play connector is tightly connected. After the installation is completed, please do a self-check for the confirmation of the connector to prevent poor wire connection and wire burn!
3. The light source contained in this luminaire shall only be replaced by the manufacturer or his service agent or a similar qualified person.
4. If the external flexible cable or cord of this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard
