The Wigmore Presents agenda will be regularly updated at wigmorepresents.com as we continue to confirm our international speaker panel for 2027

welcome

Wigmore Medical invites you to participate in an exciting opportunity to promote your products and services to practitioners and aesthetic clinic owners at Wigmore Presents, on Friday 23rd and Saturday 24th April 2027. Following last year's success, Wigmore Presents, now in its sixth year, will be a two-day event.

On Friday and Saturday, a range of agendas will be on offer to delegates, including the Regenerative and Longevity agenda, Botulinum Toxin: The Wonder Drug, Total Facial Aesthetics and the 3 Ps: Patient, Practitioner and Practice, as well as access to you, our sponsors and exhibitors. The conference will be held at the Royal College of Physicians in Regents Park, London; the scene of many past successful meetings. The faculty includes national and international speakers of renown, as well as future leaders of the aesthetic industry. We are also delighted to announce that we will be hosting our signature evening networking event again on Friday 23rd April.

Wigmore Presents offers medical aesthetic companies an opportunity to connect directly with our professional community in the UK. Over two impactful days, more than 400 healthcare professionals including aesthetic doctors, nurses, dentists and clinic owners come together to explore the latest innovations shaping clinical practice, regenerative medicine, longevity science and facial aesthetics. As a Sponsor or Exhibitor, your company's brand will be ever present at the event.

The Wigmore Presents exhibition floor is a dynamic, high-traffic environment where delegates are able to seek new products, technologies, devices, injectables, skincare and business solutions to bring back to their clinics.

With dedicated breaks and structured exhibition time, exhibitors benefit from meaningful conversations with our delegates. Whether you are launching a new product, expanding your market presence, or strengthening relationships with existing customers, Wigmore Presents provides the ideal platform to showcase your expertise.

By joining us as a sponsor or exhibitor at Wigmore Presents, you gain access to a highly targeted audience, premium brand exposure, and a platform that consistently delivers value, visibility and long-term commercial impact. We invite you to be part of the next chapter of Wigmore Presents—where education, innovation and industry collaboration come together to shape the future of medical aesthetics.
